

Sustainability Resources

The resources provided are third-party resources that have not been fully vetted by ISBE for applicability to 21st CCLC grantees in Illinois, and in fact may have been designed for unrelated programs. Nevertheless, the ideas are transferrable. These should be used as resources and starting points in development of your own Sustainability Plan. ISBE has been granted permission to share these resources with our grantees.

- [Creating Your sustainability Plan](#)
- [Road To Sustainability](#)
- Sample Sustainability Plan
 - [PDF; Shorter Term](#)
- Sample Sustainability Action Plan 3 Years
 - [Word Document; Save a local copy to edit](#)
