

Targeted Support and Improvement Schools

Checklist for Getting Started

Now that your school has received a targeted designation, your school is required to begin a four-year improvement cycle. During these four years, you will focus on building and/or modifying the systems needed to improve student achievement and performance outcomes and to exit status. Below are the first steps you should take to begin your school improvement work.

- Register to attend the Planning Year Grant webinar for newly designated schools: [Sign up here](#)
- Register to attend the Newly Designated Schools webinar that will outline the requirements for schools and districts during the planning year of school improvement status. [Sign up here](#)
- Tour the [School and District Improvement](#) website
 - Print [A Year in the Life of School Improvement – Planning Year for Targeted Schools](#) **(This will be your guide for the entire planning year)**
 - Print the [Continuous School Improvement Model](#)
- Utilize the School Improvement helpline for assistance: schoolimprovement@isbe.net or 217-524-1817
- Block out time in your schedule to begin viewing the [School Improvement On-demand Learning Series 1: Getting Started with School Improvement](#).
