Dear Colleague,

We're pleased to share resources that you can use with teachers, parents and guardians, and students in helping them understand score reports from taking the Illinois State Board of Education-provided SAT<sup>®</sup> with Essay, PSAT<sup>™</sup> 10, or PSAT<sup>™</sup> 8/9 this school year.

The resources in this toolkit were designed to help families understand what their child's scores mean. Also included is information on AP Potential, which provides details about a student's readiness for their next more rigorous course in various subject areas.

The following materials are enclosed:

- Individual flyers about SAT with Essay, PSAT 10, and PSAT 8/9 score reports in both English and Spanish, including sample score reports and resources that help interpret reports, scores, benchmarks, and percentiles to use in measuring student progress toward college and career readiness.
- Information about BigFuture<sup>™</sup>, College Board's free online guide that helps students to explore careers, plan for college, and pay for college.

Visit [isbe.net/Pages/sat-psat.aspx](https://isbe.net/Pages/sat-psat.aspx) to access digital versions of these handouts. Thank you for all that you do every day to support students and families on the road to college and career success.

Sincerely,

College Board
