Dear Colleague,

We're pleased to share with you resources to help you inform parents and guardians of the benefits their child receives by taking the Illinois State Board of Education-provided SAT<sup>®</sup>, PSAT<sup>™</sup> 10, or PSAT<sup>™</sup> 8/9 this school year. The tests measure what students are already learning in school and help inform what they need to do to stay on track for college and career readiness.

The following materials are enclosed:

- Individual flyers about the SAT School Day, PSAT 10, and PSAT 8/9 (for grade 9), explaining how each test propels students on the journey to college and career readiness
- Information about Official SAT Practice on Khan Academy<sup>®</sup> and instructions in both English and Spanish about using Khan Academy to receive free, personalized SAT practice plans
- Information about BigFuture<sup>™</sup>

BigFuture is a free, comprehensive set of digital resources that helps all students take a productive first step after high school. With feedback from students, insights from professionals, and over 100 years of College Board expertise, the BigFuture personalized dashboard simplifies a complex process into key actions across three categories: Plan for College, Pay for College, and Explore Careers.

Thank you for all that you do every day to support students and families on the road to college and career success.

Sincerely,

College Board
