

**2019 Summative Designations - Schools with Two Designations**

The accountability system is divided into two grade bands, K-8 (ES) and 9-12 (HS). The two grade bands have similar but different indicators, with similar but different weights. As such, schools that serve grades that span both grade bands receive two designations. One based on data from the K-8 grades, and one based on data from the 9-12 grades. Per our approved ESSA state plan, we publish on the report card the designation of the high school grades. If a school has any designation that qualifies them for supports, they receive supports based on that designation.
