

ISBE Student Assessment Update

Illinois State Board of Education
March 28, 2025

Agenda

- General Updates
- Entity Profile System (EPS)
- Assessment Security Monitoring Survey
- Standard Setting
- Illinois Science Assessment (ISA)
- Illinois Assessment of Readiness (IAR)
- Dynamic Learning Maps Alternate Assessment (DLM-AA)
- ACT with Writing, PreACT Secure, and PreACT 9 Secure
- ACCESS/ALT ACCESS
- Kindergarten Individual Development Survey (KIDS)
- Upcoming Webinars
- Contact Information

General Updates

- To register for upcoming Assessment Update Webinars, open the blue "Presentations and Webinars" accordion on the [Communications webpage](#), and click on the "Registration" link.
- All Assessment Update Webinars are recorded and posted, along with the presentation slide deck, on the ["Presentations and Webinars Archive"](#) page.

ISBE's Entity Profile System (EPS)

- ISBE's **Entity Profile System (EPS)** serves as the directory for Illinois schools and districts, and most IWAS systems use information from EPS for important notifications, updates, due dates, etc.
- Districts should identify the name and contact for each test coordinator currently listed in EPS.
***Note: Two new contact types have been added:
"District Test Coordinator" and "High School Test Coordinator."***
- The same person may be identified for multiple contact types, based on the work they perform in the school/district (e.g., the principal may be listed as the ISA Coordinator).
- It is also important to identify a "Director of Technology," as this contact will receive assessment technology alerts, including those for NAEP. Note that individuals under this contact type need not have this specific job title locally.
- Information about ISBE's [Entity Profile System](#) is available on the ISBE website and includes the following resources:
 - Webinars
 - Guidance documents
 - Instructions for updating information in EPS

Assessment Security Monitoring Survey

- The Assessment Security Monitoring Survey is sent to districts to ensure that assessment security is being implemented for the test administration.
- The survey was sent out to district administrators(superintendents and principals) to complete on March 14 via an IWAS blast message.
- The survey is located under the system listing "Surveys". If you don't have access, you will need to request access through IWAS.
- Any questions please email assessment@isbe.net .

Standard Setting

- Illinois is undergoing a unified standard setting for all general education content assessments during the summer of 2025. New cut scores will be recommended for our current IAR and ISA, and cut scores will be recommended for PreACT Secure 9, PreACT Secure (grade 10), and the ACT with Writing.
- Learn more about the standard setting work by visiting <https://www.isbe.net/feedback>.
- [Assessment & Accountability Listening Tour Flyer](#)
Events began February 3. Review the flyer for upcoming locations around Illinois.

Share Your Voice!

ISBE Seeks Feedback on New Performance Level Descriptors

We invite you to take part in an important opportunity to shape the future of student learning in Illinois! The Illinois State Board of Education (ISBE) is seeking [public comment](#) on the first drafts of its new performance level descriptors (PLDs). These drafts were thoughtfully developed by over 100 dedicated educators who collaborated in grade band and subject teams, working diligently from September 2024 through February 2025.

The PLDs are designed to define expectations for student proficiency with the right level of rigor and clarity. Your expertise and insights are invaluable in refining these drafts, ensuring they best serve our students and educators. We encourage you to review collaboratively, capturing the unique perspectives that each educator brings.

ISBE has developed a [PLD Review Guiding Questions](#) document to assist you in your review. We invite you to review one subject at a time and submit feedback through the [online submission form](#) or via email at essa@isbe.net.

Each assessed grade (or grade band) and subject includes three [documents for review](#):

- ✓ **Detailed PLDs** for those familiar with content standards.
- ✓ **High-level summary PLDs** for a broader overview.
- ✓ **Sample items, responses, and rubrics** to illustrate performance expectations.

The **public comment window closes at 5 p.m. on Monday, April 7, 2025.**

(ISA)

ISA Testing Information

- The ISA Blueprint is the same as last year.
- The ISA is made up of 3 units.
- Each unit contains 30 multiple choice or technology enhanced interactions and 2 constructed response items which require a student written response.
- The domains of Life, Physical & Earth Space science are evenly distributed throughout all 3 units of the exam.

ISA Testing Information

- Each unit takes approximately 45-50 minutes to complete. If you have students that you know will take more than the average 50 minutes to complete a unit, we suggest creating a separate proctor group for those students to allow for more efficient scheduling.
- There is a 2-hour time limit for any one unit of the exam, that is monitored by the test administrator.
- The Text-to-Speech (TTS) feature is automatically available to all students in the testing platform.
- **Please do not select Assistive Technology –Screen Reader in accommodations for the TTS function.**

ACCOMMODATIONS

Checking Accommodations

Provide various ways to check accommodations.

- Check by Administration Card.
- Check by Accommodation Type.
- Check by Proctor Group.
- Check by .csv file download.

The platform also offers a way for the test proctor to double check the applied accommodations for your students through the Print Test Cards feature. By toggling to the Accommodations Display, you are able to print a roster of your accommodations along with your student test tickets.

The Test Proctor can review all accommodations before allowing students to begin testing.

Administration: Eagle Eyes Grade 3 Math
Proctor Group: Eagle Eyes Grade 3 Math Unassigned

Illinois Assessment of Readiness

RESOURCE MATERIAL

Human Reader/Signer Assigning Instructions

There are changes to assigning and administering paper-based and computer-based Human Reader tests and computer-based Human Signer tests for the Illinois Assessment of Readiness and Illinois Science Assessment.

*Paper Human Reader kits for ELA and Paper Human Reader kits with a Human Reader Script for Math are no longer available for the IAR.

Creating Proctor Groups Guidance

Guidance on creating proctor groups in the Illinois Administration Platform without students and with students manually. (Proctor groups without students is recommended.)

Uploading Proctor Groups

Guidance for those who choose to create proctor groups and add students manually within the platform via file upload.

Accountability Codes and Voiding Tests

For students not participating in testing due to being homebound, hospitalization, etc.

Note: District and School Test Coordinators will NOT be able to void tests within the platform for Spring 2025.

Illinois Assessment of Readiness

RESOURCE MATERIAL

Irregularity Reports

In the event of a testing irregularity, school staff has 5 business days to submit a test irregularity form to the Assessment Department at the Illinois State Board of Education. Please provide details of the incident and what steps school staff took to correct incident. The Irregularity Report can be submitted electronically through the ISBE **Attachment Manager** under *System Quick Links* on the Illinois State Board of Education website.

- >>Click on the **Send ISBE a file** link,
- >>Once there, complete the fields,
- >>Select **IAR Irregularities** from the *ISBE eMail Name* drop down menu,
- >>Press Submit.

If you have the same issue for a group of students, you can just submit one irregularity form and add the roster of students along with their state IDs and DOB.

Print Test Cards

Guidance on various options for printing test cards.

Proctor Dashboard Guide

Guidance for Test Proctors to manage the proctor dashboard.

Please click on the link in the pdf to access the guidance documents or download from the Pearson support site.

Illinois Assessment of Readiness

HOT TOPICS

1. **SEAL CODES**-One seal code shall be entered per Unit/Section. Do not provide Seal Codes to students unless your entire class is ready to move to the next section. The computer-based proctor scripts have been updated with additional seal code usage guidance. Please communicate this message to proctors in your school.
[Entering Seal Codes – Math \(Grades 6 & 7\)](#)
-  2. **RECOVER TIME LOSS**-Students must be allowed the full time designated for each section. If that time was compromised for any reason, then it must be recovered to avoid an irregularity.
 - Use the **Move To Section** button to move students back to the section that was affected by lost time.
3. **TIME MANAGER**- The platform should not be used to manage testing times. A separate device will be needed (timer, cell phone, wall clock).
4. **ADDING ACCOMMODATIONS**-A test that has been started cannot be altered. You must contact ISBE for guidance on next steps.
-  5. **VOID and RETEST**-Accommodations errors must be caught early to be considered for a void/retest.
6. **MAKE UP TESTING**-You have two options for make-up testing. [Make Up Guidance Document](#)
 - Test students from the existing proctor group
 - Create a Make Up proctor group and move student into them
 - Do not allow students to press the final Submit button if they have missed a section.
 - Use the **Move To Section** button to take students back to the section that was missed and provide the seal code for that section.

Illinois Assessment of Readiness

IEP CHANGES DURING THE TESTING WINDOW

The platform is populated based on the current student enrollment in SIS. If the DLM indicator is marked as YES, then the student will not appear in the platform. Therefore, changing the DLM indicator for a student during the testing window will directly impact the student's IAR test and cause the student to be removed from the platform.

Guidelines:

- If a student has started testing for IAR, then the student must complete testing for IAR. Please do not change the DLM indicator until AFTER the student has completed testing. If the student was removed from the platform because the district updated the program indicator to DLM, then please change the indicator back to NO so that this student can be reloaded into the platform and then finish testing. The student will test for DLM the following year.
- If the student has not started testing for IAR, then the program indicator can be changed to YES and then contact Pam Hartwig to load the student into KITE.

Illinois Assessment of Readiness

STUDENT MOBILITY

If a student transfers during the testing window, the platform will update based on the new enrollment and move the student over to the new school. It is the responsibility of the new school to finish testing a student who transfers if they did not already finish testing at the previous school.

Once the student is visible on your roster and they HAVE NOT finished testing, have them to log into TestNav and provide them with the test code for the proctor group you wish for them to join. This will pull the student into the new proctor group and allow them to continue testing with your school.

The same business rules apply as in the past. Please review the [Student Mobility Guidance](#) document for Q&A and more information on this topic.

Illinois Assessment of Readiness

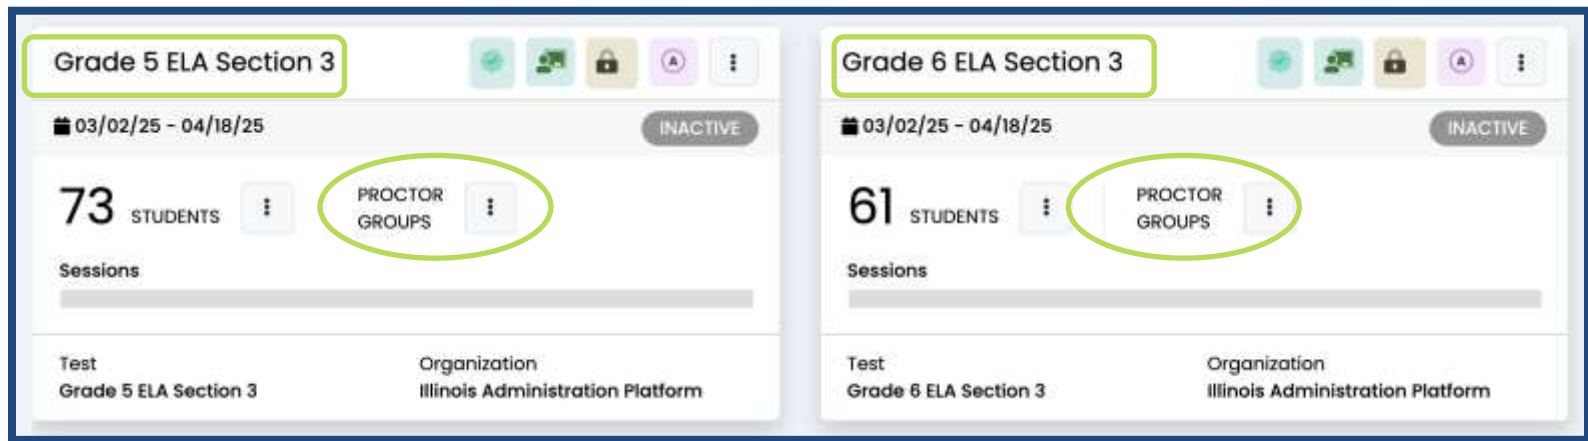

2025 IAR Field Test Participation

Field test participation is not optional.

- [2025 Field Participation List \(Ordered Alphabetically\)](#)
- [2025 Field Participation List \(Ordered by RCDTS Code\)](#)

Create a Field Test Proctor Group

The field test will be housed under a Section 3 administration card on the dashboard under the Administrations tab. If you are a participating school, then you will need to create a proctor group for students to take this portion of the test. It is not connected to the first two sections of the ELA assessment.

ASSESSMENT
HIGH SCHOOL ASSESSMENT (ACT WITH WRITING, PREACT SECURE, PREACT 9 SECURE)
ACT with Writing, PreACT Secure, PreACT 9 Secure
The procurement process for the high school accountability assessment has concluded. As the result, Illinois will transition to the ACT, beginning with the 2024-25 school year. Students in grade 11, and grade 12 as required, will participate in the ACT with Writing which includes tests in English, Mathematics, Reading, Science, and Writing. Students in grade 9 will participate in the PreACT 9 Secure and those in grade 10 will participate in the PreACT Secure, each of which includes tests in English, Mathematics, Reading, and Science. School staff will administer these assessments online. Accommodations and EL supports are available. Scores from the administration of the ACT with Writing (if taken with ACT Standard Time or ACT-approved accommodations) can be used by students for a variety of purposes including college admission, scholarships, and NCAA eligibility.
Check back often as new information will be added as it becomes available. Thank you for your patience.

- ACT-Hosted Website for Illinois
- Participation Status for Invited Schools (Updated 03/13/2025)
- Schedule of Events (SOE) for ACT with Writing
- Schedule of Events (SOE) for PreACT 9 Secure and PreACT Secure
- MyACT Account Flyer
Creating a MyACT account is **optional** for students. This flyer will be mailed to schools along with copies of *Taking the ACT Test*.
 - Taking the ACT Test (Spanish version)
- MyACT Alternate Account Creation Supplement
Please note: The Score Submission Form referenced in this supplement cannot be used until a student's test has been scored. The "Student Code" needed to use the score submission form is accessible from ACT Now. Open the "Students" section and click the "Reports" tab. Then generate "Student Non-test information."

UPDATE: ACT Now: Student Authorization Tickets

- ACT and ISBE were made aware that student authorization tickets printed prior to March 21 had regenerated with new passwords.
 - This was an unanticipated result of the Pre-ID transmission that occurred on 3/21.
 - Testing tickets printed AFTER 3/21 are not affected.
- ACT will be sending communication via email today about the process for re-printing testing tickets.

UPDATE: ACT Now: Student Authorization Tickets Remedy

- To prevent further occurrence of this issue, ISBE will be sending **only** files with new students or students with changes in their record made in SIS in subsequent uploads. The transmission schedule for these uploads has changed and is reflected in the next slide and in updated Pre-ID guidance.
 - Students with changes in their SIS record impacting testing **WILL** need new testing tickets when changes are submitted via the ISBE file load.
 - If changes are made directly in ACT Now due to timing of uploads, these tickets may not be impacted, but please check to be certain.
 - As a reminder, if you make changes in ACT Now, you must also make those changes in SIS to avoid score-matching issues later.

UPDATE: Pre-ID Transmission Schedule

Spring 2025 Schedule: ACT/PreACT Secure Pre-ID Transmissions into ACT Now

Wednesday, January 15, 2025	Update: Friday, March 14, 2025
Update: Friday, January 24, 2025	Update: Friday, March 21, 2025
Update: Friday, January 31, 2025	Update: Friday, March 28, 2025***
Update: Friday, February 7, 2025	Update: Monday, April 7, 2025
Update: Friday, February 14, 2025	Update: Friday, April 18, 2025****
Update: Friday, March 7, 2025	Update: Monday, April 21, 2025

- ***ACT has requested that ISBE send a student registration file on **03/28/2025** containing only new students and/or students with any changes since the transmission on 03/21/2025.
- ****ACT has requested that ISBE send a student registration file on **04/18/2025** containing only new students and/or students with any changes since the transmission on 03/28/2025.
- ACT/PreACT Secure Pre-ID Guidance document:
www.isbe.net/Documents/ACT-PreACT-PreID-2025.pdf.

Pre-ID in ISBE's Student Information System (SIS)

- **Review Student Testing Rosters in SIS**

The ACT/PreACT Secure Pre-ID is available now in SIS. Please view slides 112-125 from the SIS webinar from December 4, 2024:

www.isbe.net/Documents/SY25-Fall-Update.pdf.

- ***Note: If a student moves out of Illinois, changes grade level (and thus, the test to be taken), or changes to DLM-AA, school staff may manually "Unenroll student" from ACT Now. ACT Now does not have functionality to allow ISBE to batch remove students.***
- Contact assessment@isbe.net with any questions.

ACT Now Tip: Unenroll student

- For any student who has been exited from SIS and will not be enrolled at another Illinois school **or** whose grade level has changed, you can "**Unenroll student**" from **ACT Now**. The batch transmissions from SIS are not able to "batch delete" such students.

The screenshot shows the ACT Now interface. On the left, there's a sidebar with tabs: Students, Reports, Overview, and Files. Under 'Students', there are sub-tabs: Students roster and Student transfer. A search bar is present with 'Last name' and 'First name' fields. Below the search bar, it says '1 result:'. A list of students is shown with a checkbox next to 'Sample, Student', which is highlighted with a green box. To the right of this list, a modal window titled 'Student information' is open, showing details for 'Sample, Student'. The modal has a close button (X) in the top right. At the bottom of the modal, there are three buttons: 'Edit student information', 'Unenroll student' (highlighted with a green box), and 'Close'. The text 'The name is a hyperlink!' is written next to the student name in the list.

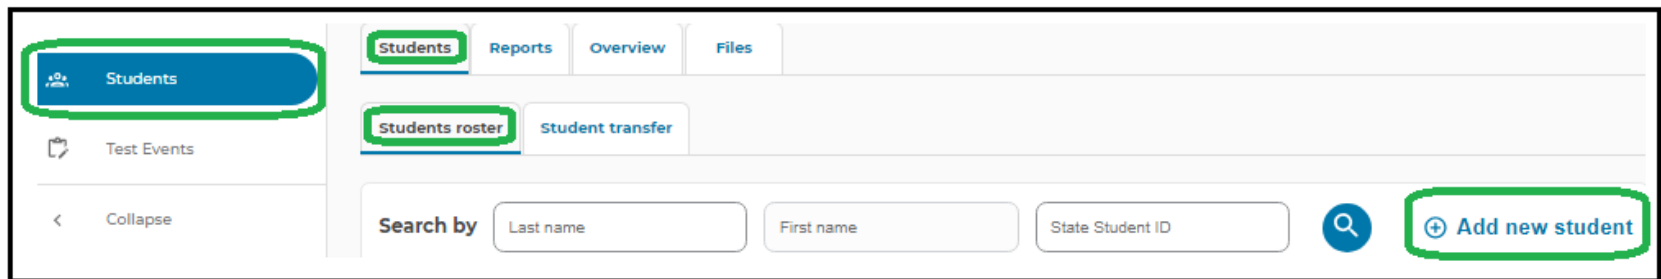

Student information	
Sample, Student	
Assigned Event	Apr 08 - Apr 18
State Student ID	123456789
Format	Online
Timing Category	Standard
Test Option	The ACT with Writing
Date of Birth	06/26/2007
Grade	11
Gender	Male
Reporting HS code	-
ACT Student Code	0000000
School Name	Sample High School
TAA PIN	-
Opt-out	N
Accommodations	-

The screen shot is from the "Students" tile in ACT Now. The student's name is a hyperlink.

ACT Now Tip: New Students

- **New Students:** If your school receives a new student and the previous school has not yet exited them from SIS or you otherwise need to load the student into ACT Now sooner than the next scheduled transmission from SIS ([see page 2](#)), users with the **District Test Coordinator** or **School Test Coordinator** User Role may manually add the student into ACT Now.

Please be sure the SIS enrollment record is corrected as soon as possible so scores will match correctly.

The screenshot displays the ACT Now web application interface. On the left is a sidebar with a 'Students' button highlighted by a green rectangle. The main content area has a top navigation bar with 'Students', 'Reports', 'Overview', and 'Files'. Below this, there are sub-tabs for 'Students roster' (highlighted with a green rectangle) and 'Student transfer'. At the bottom of the main area, there is a search section with 'Search by' followed by input fields for 'Last name', 'First name', and 'State Student ID'. To the right of these fields is a magnifying glass icon and a button labeled '+ Add new student', which is also highlighted with a green rectangle.

ACT Now Tip: Assign Test Event

- Students in **ACT Now** who will be tested **must** be assigned to a "Test Event" to flow into Test Center Manager (TCM), which is accessible through **ACT Now**.
- Use the filter in **ACT Now** to find any students not assigned to a "Test Event."

The screenshot shows the ACT Now interface for 'Sample School (123456789000001)'. The left sidebar has a 'Students' tile highlighted with a green box. The main content area shows a list of students with a filter 'Event assignment' set to 'Not assigned'. A red box highlights the 'Assigned event' column, showing 'Not assigned' for both students. A green box highlights the 'Event assignment' filter dropdown. A red box highlights the 'ACT TCM' button at the top, with a message: 'Students will not flow into TCM until a Test Event is assigned.' A green box highlights 'The ACT State' button at the top right.

ACT Now ACT TCM Students will not flow into TCM until a Test Event is assigned. The ACT State

The screen shot is from the "Students" tile in ACT Now. Check the box to the left of the student's name to add or edit the Test Event.

ACT sent a reminder to do this via [email on 03/17/25](#).

ACT Now Tip: Assign Test Event "Will not test"

- If you have any students in ACT Now who will not test, you may identify this in ACT Now. This includes:
 - Students who will be exempt at the time of testing
 - Homeschooled students who are not receiving instruction in a tested content area

The screenshot shows the ACT Now interface. On the left, a table lists students with columns for 'Student name' and 'Assigned event'. A dropdown menu labeled 'Event assignment' is highlighted with a green circle. To the right, a 'Register Students' dialog box is open, showing '1 Student(s) selected'. Under the 'Select Test Event' section, four radio button options are listed: 'Un-assign', 'Apr 08 - Apr 18', 'Apr 22 - May 02', and 'Will not test'. The 'Will not test' option is highlighted with a green circle. A 'Save' button at the bottom right of the dialog box is also highlighted with a green circle.

Eligible Students

- Students in grades 9 and 10 will participate in the PreACT 9 Secure and the PreACT Secure, respectively.
- Students in grade 11, and [grade 12 as required](#), will participate in the ACT with Writing. Students repeating grade 11 who have tested previously must test for accountability but have met the separate but related diploma requirement.
- Students who are completely or partially homeschooled **do not participate unless** they are receiving instruction from the public school in a tested content area. Note: These students will be included on the Pre-ID file and loaded into ACT Now. Apply [RNVTA 16](#) during the correction window for those not required to test. For students who test, they will take the entire test, and staff must contact ISBE after scores are posted to suppress data for subjects in which they are not receiving instruction.
- All **English learners**, including those for whom it is their first year in a U.S. school, must participate in all parts of the assessment, assigned based on their grade level in SIS.
- All **foreign exchange students** whom your school has classified as being in grade 9, 10, or 11, must participate.

ACT with Writing Test Windows

ACT with Writing (for grade 11 and 12, [as required](#))

Digital Testing Window "Test Event" Options:

Test Event 1: March 25-28 and March 31-April 4, 2025

Test Event 2: April 8-11 and April 14-18, 2025

Test Event 3: April 22-25 and April 28-May 2, 2025

Each two-week "Test Event" begins on a Tuesday. All Test Events may be used.

IMPORTANT: A student with multi-day testing must begin and complete testing in the same Test Event.

- Key ideas and details
- Craft and Structure
- Integration of knowledge and ideas

****There is a 10-15-minute break after Mathematics and a 5-minute break after Science. Breaking for lunch before the Writing test is permitted.***

ACT Writing

- As in the past, the **writing component is mandatory**. While the score was not included in the ELA score previously, ACT renders an ELA score that is a composite of the ACT English, ACT reading, and ACT writing components. Participation in all three components is required to generate an ACT ELA score and to earn ELA participation credit for purposes of accountability.
- [Understanding ACT ELA Scores](#)
The ACT® English language arts (ELA) score measures overall performance on the ACT English, ACT reading, and ACT writing tests. The ACT ELA score weights the English, reading, and writing scores approximately equally and is therefore reported only for students who take all three tests. This brief describes how the ACT ELA score is calculated and presents information for interpreting the score.

PreACT 9 Secure & PreACT Secure Test Windows

PreACT 9 Secure (for grade 9) and PreACT Secure (for grade 10)

Digital Testing Window "Test Event" Options:

Test Event 1: March 17-28, 2025

Test Event 2: March 31-April 11, 2025

Test Event 3: April 14-25, 2025

Testing should not be administered on weekends. All test events may be used.

IMPORTANT: A student with multi-day testing must begin and complete testing in the same Test Event.

PreACT 9 Secure & PreACT Secure Components

Spring 2025 Technology

- Students will use TestNav to take the tests online. Paper testing is available only in rare instances (e.g., accommodations needs).
- TestNav app version 1.13.x is required. If you don't currently have this version installed, you will receive an error message.
- For more information regarding technical readiness, please check out the Technical Guide for Online Testing:
<https://www.act.org/content/dam/act/secured/documents/ACT-SD-Tech-Guide-for-Online-Testing.pdf>

<i>Tuesday, March 18, 2025</i> (Available On Demand!)	Tuesday, May 6, 2025, 2:00 PM

Spring 2025 Accommodations and EL Supports

- Accommodations for students with disabilities and supports for English learners (ELs) and are allowed for the ISBE-Provided PreACT 9 Secure, PreACT Secure, and ACT with Writing.
- Accommodations needs must be documented in an Individualized Education Program (IEP) or Section 504 Plan, and students who require English learner supports must be identified as English learners in ISBE's SIS.
- Accommodations and supports for English learners must be requested **only for those who will take the ACT with Writing**.
- Please note: Unlike the ACT with Writing, the use of accommodations and EL supports for the PreACT 9 Secure and the PreACT Secure **do not require ACT authorization**.

Important Note about Designated Supports

- ACT accommodation and support request responses may have indicated denial of certain accommodation and/or support requests that are considered as designated supports for a state administration of the ACT.
- These supports were denied because they did not require approval for state testing. They may be utilized according to the following guidance:

[Defining and Applying Accessibility Supports](#)

- Contact ACT accommodations staff with any questions:
 - 1-800-553-6244 x1788
 - actstateaccoms@act.org

Spring 2025 EL Supports

ACT with Writing, PreACT Secure, PreACT 9 Secure

- Available supports for English learners include the following:
 - [ACT-authorized word-to-word bilingual dictionaries and glossary of terms](#)
 - ACT-translated test directions
 - [ACT with Writing](#)
 - [PreACT and PreACT 9 Secure](#)
 - Extended time (one and one-half time)
- The use of any English learner support must be requested in TAA ***only for students taking the ACT with Writing.***

Spring 2025 Accommodations and EL Supports

ACT with Writing

- The ACT **Test Accessibility and Accommodations (TAA)** is the system used to request approval for accommodations and EL supports for the **ACT with Writing**.
- **Qualified exceptions to the deadline (QED)** is a process intended to cover students in specific situations that occur *after* the February 7, 2025, deadline. It is not an extension for initial or reconsideration requests. If no requests for accommodations or EL supports were submitted for the student by February 7, 2025, and the student meets one or more criteria listed in the QED form, the student may be eligible.
- Review the [Schedule of Events for ACT with Writing](#) for details about **deadlines** and **for whom the QED process is appropriate**.
- Read the [QED Form](#) carefully, as there are no reconsideration opportunities once submitted.
- Contact ACT accommodations staff for any assistance:
 - 1-800-553-6244 x1788
 - actstateaccoms@act.org

Spring 2025 Accommodations and EL Supports

ACT with Writing

- If your school missed the February 7 deadline to submit accommodations and/or EL supports requests in TAA for any student taking ACT with Writing and the student does ***not*** meet QED eligibility, the student ***may still test with needed accommodations and/or EL supports***, but results will not be college reportable.
- Options for students who are eligible for accommodations and/or EL supports after the February 7, 2025, deadline:
www.isbe.net/Documents/Late-Options-ACT-2025.pdf
- Contact ISBE with any questions at assessment@isbe.net.

Spring 2025 Accommodations and EL Supports

ACT with Writing: Options after February 7, 2025

Option 1: Qualified Exception to the Deadline

The Qualified Exception to the Deadline (QED) option applies only if the student's situation satisfies specific criteria and they require the use of accommodations and/or EL supports; scores are eligible to be college reportable.

Option 2: Standard Time Testing

The Standard Time Testing option applies to any student who will elect not to use accommodations and/or EL supports for which they are eligible; scores are eligible to be college reportable.

Option 3: Non-College Reportable

The Non-College Reportable (NCR) option applies to all other students who require the use of accommodations and/or EL supports; scores are **not** eligible to be college reportable but will be reported to ISBE for accountability use only. This option requires students to test on **paper**.

Contact information for each option is noted in the [document](#).

Pre-ID in ISBE's Student Information System (SIS)

Paper Accommodations for ACT with Writing

IMPORTANT

- ACT offers both online and paper versions for most accommodations (e.g., text-to-speech for online and human reader for paper).
- The **test format** (i.e., online or paper) for ACT with Writing is captured in the student registration file from SIS, **not** in the approved accommodation from ACT's TAA system.
- Therefore, if the accommodation that was approved for a student for ACT with Writing must be in a paper format, schools must identify this in the SIS Pre-ID file. A screen shot of how to edit this in the SIS Pre-ID is on [slide #13](#) from the December 4, 2024, SIS webinar.
- Contact assessment@isbe.net with any questions.

Spring 2025 Accommodations and EL Supports

PreACT 9 Secure and PreACT Secure

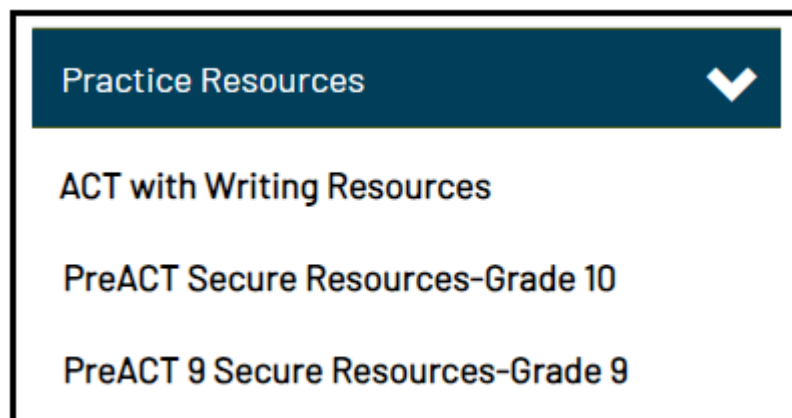

- Visit the [ACT-hosted website for Illinois](#) to learn details about how to submit accommodations and EL supports for students taking [PreACT 9 Secure](#) or [PreACT Secure](#). Staff must add these into ACT Now prior to test day.
- Review the [Schedule of Events for PreACT Secure and PreACT 9 Secure](#) for timelines.
- Under "Step 1" view this section:

Manage Accommodations and English Learner (EL) Supports

- **Understanding Accommodations and English Learner (EL) Supports:**
 - [Accessibility Supports Guide for PreACT Secure Products \(web content\)](#)
- **Assigning Accommodations and English Learner (EL) Supports:**

 - [ACT Authorized Bilingual Word-to-Word Dictionaries list \(pdf\)](#)

Spring 2025 Practice Resources

- Visit the [ISBE High School Assessment Website](#)
- Open the blue accordion entitled, "Practice Resources"

Student Creation of a MyACT Account is Optional

- Students may create a MyACT account if they choose to do so in order to receive scores and select up to four free score sends. ISBE is working with ACT to provide screen shots of the limited details students will see when associating a MyACT account to the spring 2025 ISBE-provided administration.
- ACT has created an alternative method by which students may select their four free scores sends after their tests are scored. This method will be available up to 90 days after their test date.
- [MyACT Alternate Account Creation Supplement](#)
Please note: The Score Submission Form referenced in this supplement cannot be used until a student's test has been scored. The link to this form on page 1 will become live before students' tests are scored.

Spring 2025 Reporting

	Timeline for Scores in ACT Online Reporting	Timeline for Scores in Student MyACT Account (optional, if created)	Timeline for Printed Score Reports (mailed to schools)	Scores in ISBE's SIS (no performance levels)
ACT with Writing	Approximately 5-8 weeks after testing, populated on a rolling basis, as ready All data are final no later than June 16, 2025	Approximately 5-8 weeks after testing, populated on a rolling basis, as ready <i>Note: Students may see their scores 1-2 days before they populate in ACT's Online Reporting system.</i>	Approximately 5-8 weeks after testing, 2 copies are mailed in batches, as ready	Mid-July 2025
PreACT Secure	Initial score release is May 1, 2025. Data will populate on a rolling basis. All data are final no later than May 30, 2025	<i>Not Applicable</i>	<i>Not Applicable</i>	Mid-July 2025
PreACT 9 Secure	Initial score release is May 7, 2025. Data will populate on a rolling basis. All data are final no later than May 30, 2025	<i>Not Applicable</i>	<i>Not Applicable</i>	Mid-July 2025

Note: The information in this chart has been updated here since the webinar was recorded on 03/28/2025.

DYNAMIC[®]
LEARNING MAPS

Dynamic Learning Maps Alternate Assessment (DLM-AA)

Test Window

- The Spring 2025 DLM assessment window is open through May 7.
 - No extensions are given.

Review Rosters Again

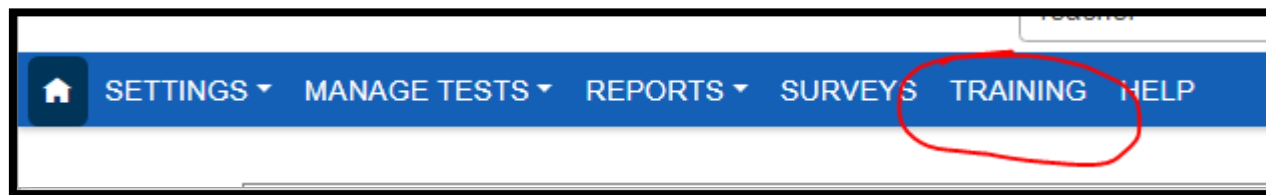

- Review to ensure all students are rostered for ELA and math and, if required, science
 - Science - 5th, 8th and 11th graders
 - See [Educator Portal User Guide](#) for steps (p. 94)
- ISBE data reviews indicate some students have not been rostered for all required subjects

Teacher Can't See Testlets?

- Security agreement completed in Educator Portal
- Training completed
- Students rostered to teacher
- First Contact Survey completed
 - 24-hour delay
- Screen refresh
- Contact Assessments

Required Annual Training

- Any teacher administering the DLM *must* complete training, regardless of whether they completed training in prior years.
- Training is located in Kite Educator Portal.

- If a teacher completed training last year but is reflected as "new" in this year's training, reach out to Assessments.
 - Copy of last year's certificate of completion will be needed
- Training can be completed after test window opens
Access to rostered students will be delayed by 30 minutes.

Guidance for Teachers

- Review Test Administration Manual
- Review student demographic information in Kite
 - Ensure student data are accurate
 - Ensure roster data are accurate
- Record and save chosen supports in Personal Needs and Preferences Profile in Educator Portal
- Complete and submit the First Contact Survey in Educator Portal
- Ensure latest version of Kite Student Portal is installed on testing devices
- Familiarize yourself and students with testlets
 - Access practice activities and released testlets with demo login and **Practice First** option in Student Portal
 - Guide to Practice Activities and Released Testlets

Guidance for Teachers, cont.

- Access Testlet Information Page (TIP) for first testlet in each subject.
 - Helplet video
 - Gather needed materials before beginning testlet
- Retrieve student's Test Ticket (contains student username and password) from Test Management section (Tickets column) in Educator Portal.
- Assess student on first testlet
- As each remaining testlet becomes available, retrieve the TIP, gather materials, and assess student
- Refer to the Test Management column in Educator Portal (on Test Management screen) to confirm that all testlets are complete
 - Student Portal will also show which testlet the student is on in each subject (eg. Testlet 2 of 9)
- Utilize report in Educator Portal to help ensure all testing is complete
 - Reports – Data Extracts – DLM Test Administration Monitoring
 - Compare Columns U and V

Testing Reminders for Success

1. The First Contact Survey must be completed at least 24 hours before testing
2. Changes to the Personal Needs and Preferences Profile can take up to 24 hours to refresh
3. Gather needed materials identified on the TIP
4. After a testlet is administered, the next testlets in the subject area may take up to 15 minutes to release.
 - A testlet in another subject area may be administered while waiting
5. Close out of Student Portal when finished with a testing session.
6. To monitor a student's progress by subject area, select the Test Management screen in Educator Portal. The Test Progress column indicates the number of testlets being administered and the total number of testlets available for each grade and subject area.

Test Session Name	Tickets	Test Information	Test Progress	Subject
DLM -YE ELA EW 7 DP			Tested 9 of 9	English Language Ar
DLM -YE ELA RL 7 S PP			Tested 4 of 9	English Language Ar
DLM -YE ELA RI 7 S S			Tested 7 of 9	English Language Ar

How to Handle "No Response"

- All testlets at the lowest linkage levels and a few teacher-administered testlets at higher linkage levels have the "no response" option.
 - Not all testlets include "no response" as an option
- If the student does not answer and "no response" is not an option, the teacher should leave the question unanswered.
- Whether answered with "no response" or left unanswered, the question will be scored as incorrect.

Red Lock Screen

- If a teacher experiences a locked screen while in Kite Student Portal, they need to call DLM support for assistance.
 - DLM will provide a password to unlock the screen.
- Appears on Macs when Student Portal is not closed correctly, or the machine is shut down while Student Portal is still open.

Kite Service Desk number is 1-855-277-9751.

Field Test Testlets

- After a student completes all required operational testlets in a subject, the student may receive zero or one field test testlet in each subject in which the student is rostered.
- The linkage level of the field test testlet may be one linkage level below, one above, or the same as the student's operational testlets.
- The naming convention for field test testlets always begins with **FT SP**.
- Field test testlet results are *not factored* into the Individual Student Score Reports.
- Field test items are required for completion.

Established Testing Hours

- To continue to ensure district staff are adhering to the secure testing environment, students should be completing testlets during the established testing hours
 - Testing hours for the Spring 2025 administration of the DLM-AA are 7:00AM-4:00PM

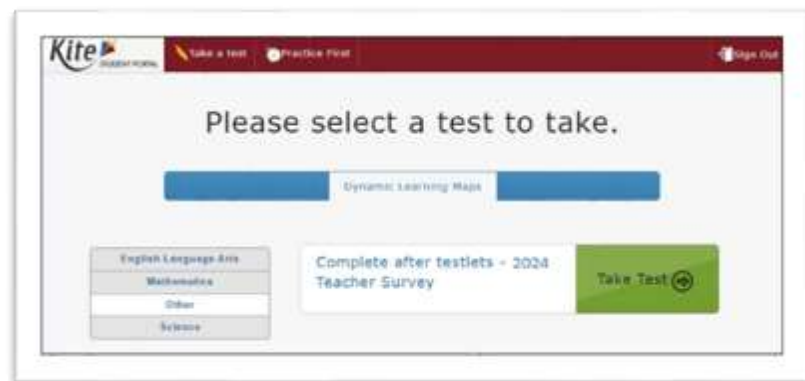

Test Administration Monitoring Extract

- Test coordinators can monitor for all students' progress toward meeting all blueprints requirements
- A student will *not* appear on the extract if they are not rostered for at least one subject.
- Three main sections
 - Instructional Number of Testlets
 - Relates to any testlets administered using the Instruction and Assessment Planner Tool
 - End-of-Year Number of Testlets
 - Relates to number of testlets administered during required spring window
 - Field Test Number of Testlets
 - Relates to number of field test testlets administered during required spring window
 - Either 1 or 0 testlets are available

Spring Teacher Survey

- A teacher survey is available in Kite Student Portal
 - The purpose of the survey is to collect evidence on the quality of the assessment system and gather feedback on teachers' and students' experiences with DLM assessments
- After the first time the student signs in to Student Portal, the survey becomes available.
- Located under the **Other** tab
- Best practice is for the student to first complete testing then for the teacher to complete the survey questions.
- Survey has 3 blocks of items
- Test coordinators can review the survey questions by contacting the Assessments department.

WIDA™/ACCESS

Kindergarten TA Script for Low Vision

The Kindergarten ACCESS pilot test revealed a need for the test to be more accessible for test takers with low vision.

- WIDA plans to provide a low vision TA script as an accommodation for students identified with this need.
- It was approved by the WIDA Executive Committee December 2024.
- It will provide item-by-item guidance to TAs on how to administer the K ACCESS assessment to students with low vision.
- It will include adapted images and answer choice cards for students that allows them to focus on the salient features of the graphic.
- It can be used in with either the general or large print test booklets.
- It is coming to the Operational Kindergarten ACCESS Administration in 2025-26.

Upcoming WIDA Webinar

Strategies for supporting multilingual newcomers

Tuesday, April 1st from 11 to 12:15 CT

During this webinar, WIDA will:

- Look at trends relating to multilingual newcomers
- Engage with research-backed approaches centering their learning
- Participate in goal setting for future programming with newcomers and their families in mind

WIDA Annual Conference 2025

New information is now available on the [WIDA Annual Conference website](#) including a program overview, registration rates, details on the virtual track option, and more.

Registration opens on May 5!
A Teacher Appreciation Week rate is available May 5-11.
