**ARTICLE V**

**MEETINGS**

A. **Regular Meetings**

1. The Board shall meet at least once a month unless otherwise provided by the Board.

2. At the beginning of each fiscal year, the Board shall have prepared and made public a schedule of all regular meetings, including the dates, time and location of said meetings. (5 ILCS 120/2.02(a)) If a change is made in regular meeting dates, at least ten (10) days’ notice of such change shall be given in accordance with Section 2.03 of the Open Meetings Act.

3. At least three days before the date of a regular meeting, the members shall be given written notice* containing the time, place, and agenda for the meeting, and other related and necessary material. The notice will be sent to each member of the Board at the address provided by the member. Attendance at a meeting shall constitute waiver of notice thereof, except where a member attends a meeting for the express purpose of objecting to the holding of the meeting because the meeting is not lawfully called or convened.

* All references to written notice shall be interpreted as including electronic mail.
B. **Special and Emergency Meetings**

1. Upon the call of the Board Chairperson or the request of at least one-third of the members of the Board, special meetings may be held to conduct the business of the Board.

2. At least three days in advance of the special meeting, the members of the Board shall be provided with written notice containing the time, place, and purpose of the special meeting, the names of the Board members who called the meeting, and other related and necessary materials.

3. The Board shall consider only those matters included in the call and set forth on the agenda for the special meeting of the Board.

4. Emergency meetings of the Board may be called in the event of a *bona fide* emergency. Notice to Board members for emergency meetings shall be issued in writing as soon as is practical in advance of the emergency meeting. The written notice shall include the time, place and purpose of the emergency meeting. 

   

   (5 ILCS 120/2.02)

5. During emergency meetings, the Board shall consider only those matters directly related to the call for the emergency meeting.

C. **Meetings Open to the Public--Open Meetings Act**

1. All regular, special and emergency meetings of the Board and its committees (a) shall be open to the public and the press, unless the Board or one of its committees takes action to go into closed session in accordance with the Open Meetings Act; and (b) may take place in the traditional face to face manner, by teleconference or video conference, subject to the physical presence requirements set forth in Sections 2.01 and 7 of the Open Meetings Act (5 ILCS 120/2.01 & 7).

2. Subject to Sections 2.01 and 7 of the Open Meetings Act (5 ILCS 120/2.01 & 7), a quorum of members of the Board or one of its committees must be physically present at the location of an open meeting. If, however, an open meeting is held simultaneously at one of the state educational agency’s offices and one or more other locations in a public building, which may include other of its offices, through an interactive video conference and the Board or committee provides public notice and public access as required under the Open Meetings Act for all locations, then members physically present in those locations all count towards determining a quorum. “Public building” means any building or portion thereof owned or leased by any public body.

3. To the extent the physical presence requirements of Section 2.01 and 7 of the Open Meetings Act are applicable, if a quorum of the members of the Board or one of its committees is physically present as required by Section 2.01 of the Open Meetings Act, a majority of the Board or the relevant committee may allow a member of that body to attend the meeting by other means (i.e., video or audio conference) if the member is prevented from physically attending because of: (a) personal illness or disability; (b) employment purposes or the business of the public body; or (c) a family or other emergency. If a member wishes to attend a meeting by other means, the member must notify the staff Secretary (designated
in Section V.G of these Bylaws) within 24 hours before the meeting unless advance notice is impractical. Such notice may be made by electronic means and must include the reason for the request and the specific exception under which it falls. The Board or committee must then take a roll call vote at the outset of such meeting to determine whether to permit such member to attend by other means (the requesting member may vote and such vote shall be counted towards the majority required for permission). Any member attending a meeting by other means must identify himself or herself any time he or she speaks during such meeting.

4. Closed sessions of the Board and its committees may be convened only for the purposes authorized in Section 2(c) of the Open Meetings Act, 5 ILCS 120/2(c). No final action may be taken during closed session. Final action on any matter discussed during closed session shall be preceded by a recital in open session on the matter being considered and other information that will inform the public of the business being conducted. (5 ILCS 120/2(d))

5. The Board shall ensure that public notice is given regarding all regular, special and emergency sessions of the Board. Such public notice shall be made in the manner established by law no less than 48 hours prior to regular or special meetings and as soon as practical for emergency meetings (but in any event, prior to the holding of such meeting).

6. Any person or organization may request regular notification of the time, location and purpose of State Board meetings. In addition to such notice, copies of the meeting agendas and materials shall be provided consistent with individual requests.

7. Three or more board members may not gather for the purpose of discussing Board business without adhering to the requirements of the Open Meetings Act.

D. Location of Meetings

1. The meetings of the Board shall be held throughout the State, at locations determined in advance by the Board.

3. The Public Participation agenda item for regular meetings of the Board shall include an opportunity for members of the public to present to the Board their comments and recommendations on educationally-relevant issues. Public participation in the Board meeting shall be in compliance with policies and procedures adopted by the Board.

4. The Board shall provide an opportunity for public participation during special and emergency meetings, provided that such public commentary is directly relevant to the issues on the agenda. Public participation in such special and emergency meetings of the Board shall be in compliance with policies and procedures adopted by the Board.

5. The agenda and order of business shall be included in the notice for each regular, special and emergency meeting. The Board shall not take action on any item unless the subject is identified on the published agenda. However, the Board may consider (without taking action on) items not specifically set forth on a regular meeting agenda.

F. **Quorum/Voting Procedures**

1. Five (5) members of the Board shall constitute a quorum. (1A-4E)

2. A majority vote of the members appointed, confirmed, and serving on the Board at the time of the vote is required to approve any action. (1A-4E)

3. A Board member may vote by telephone or video conference provided that he or she is permissibly present under Sections 2.01 and 7 of the Open Meetings Act (5 ILCS 120/2.01 & 7) and Section V.C of these Bylaws and fully participates in the discussion leading to the specific vote and casts his or her own vote. Votes may not be cast by proxy nor in any other form except by personal participation.

4. Every motion or resolution adopted by the Board shall be taken by determining the ayes and nays. A voice vote may be taken on any motion or resolution except for those involving the expenditure of money, action to permit a Board member’s attendance by other means (as discussed in Section V.C of these Bylaws), the convening of a closed session of the Board or the election of officers. A member may request that any motion or resolution be voted upon by call of the roll.

5. The voting order of members for roll call votes shall be determined in relation to the maker of the motion, with that Board member casting the first vote and subsequent votes taken by calling upon the next person in alphabetical order from the person first to vote.

G. **Minutes**

1. Minutes shall be taken of all regular, special and emergency meetings, whether open or closed, and a verbatim record shall be made of all closed meetings in the form of an audio or video recording. Minutes shall include, but not be limited to: (i) the date, time and place of the meeting; (ii) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (iii) a summary of discussion on all matters proposed, deliberated, or decided, and a record of any votes taken.

The elected Secretary shall record the minutes of all closed sessions held by the Board.

3. All minutes of regular, special and emergency meetings of the Board shall be approved by action of the Board. These minutes shall be prepared and submitted in draft form to the members in advance of the date at which the minutes shall be considered for corrections, changes, additions, and final approval.

4. After the Board has approved the minutes of regular, special and emergency Board meetings, the minutes shall be available to the public in accordance with the Open Meetings Act. (5 ILCS 120/2.06(b))

5. Once every six (6) months, the Board shall review the minutes of all closed meetings and make a determination, to be reported in open session, that (i) the need for confidentiality still exists as to all or part of those minutes, or (ii) the minutes or portions thereof no longer require confidential treatment and are available for public inspection. A. (Blank).
B. The Board shall determine the qualifications of and appoint a chief education officer, to be known as the State Superintendent of Education, who may be proposed by the Governor and who shall serve at the pleasure of the Board and pursuant to a performance-based contract linked to statewide student performance and academic improvement within Illinois schools. Upon expiration or buyout of the contract of the
State Superintendent of Education in office on the effective date of this amendatory Act of the 93rd General Assembly, a State Superintendent of Education shall be appointed by a State Board of Education that includes the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory Act of the 93rd General Assembly. Thereafter, a State Superintendent of Education must, at a minimum, be appointed at the beginning of each term of a Governor after that Governor has made appointments to the Board. A performance-based contract issued for the employment of a State Superintendent of Education entered into on or after the effective date of this amendatory Act of the 93rd General Assembly must expire no later than February 1, 2007, and subsequent contracts must expire no later than February 1 each 4 years thereafter. No contract shall be extended or renewed beyond February 1, 2007 and February 1 each 4 years thereafter, but a State Superintendent of Education shall serve until his or her successor is appointed. Each contract entered into on or before January 8, 2007 with a State Superintendent of Education must provide that the State Board of Education may terminate the contract for cause, and the State Board of Education shall not therefor be liable for further payments under the contract. With regard to this amendatory Act of the 93rd General Assembly, it is the intent of the General Assembly that, beginning with the Governor who takes office on the second Monday of January, 2007, a State Superintendent of Education be appointed at the beginning of each term of a Governor after that Governor has made appointments to the Board. The State Superintendent of Education shall not serve as a member of the State Board of Education. The Board shall set the compensation of the State Superintendent of Education who shall serve as the Board's chief executive officer. The Board shall also establish the duties, powers and responsibilities of the State Superintendent, which shall be included in the State Superintendent's performance-based contract along with the goals and indicators of student performance and academic improvement used to measure the performance and effectiveness of the State Superintendent. The State Board of Education may delegate to the State Superintendent of Education the authority to act on the Board's behalf, provided such delegation is made pursuant to adopted board policy or the powers delegated are ministerial in nature. The State Board may not delegate authority under this Section to the State Superintendent to (1) nonrecognize school districts, (2) withhold State payments as a penalty, or (3) make final decisions under the contested case provisions of the Illinois Administrative Procedure Act unless otherwise provided by law.

C. The powers and duties of the State Board of Education shall encompass all duties delegated to the Office of Superintendent of Public Instruction on January 12, 1975, except as the law providing for such powers and duties is thereafter amended, and such other powers and duties as the General Assembly shall designate. The Board shall be responsible for the educational policies and guidelines for public schools, pre-school through grade 12 and Vocational Education in the State of Illinois. The Board shall analyze the present and future aims, needs, and requirements of education in the State of Illinois and recommend to the General Assembly the powers which should be exercised by the Board. The Board shall recommend the passage and the legislation necessary to determine the appropriate relationship between the Board and local boards of education and the various State agencies and shall recommend desirable modifications in the laws which affect schools.
D. Two members of the Board shall be appointed by the chairperson to serve on a standing joint Education Committee, 2 others shall be appointed from the Board of Higher Education, 2 others shall be appointed by the chairperson of the Illinois Community College Board, and 2 others shall be appointed by the chairperson of the Human Resource Investment Council. The Committee shall be responsible for making recommendations concerning the submission of any workforce development plan or workforce training program required by federal law or under any block grant authority. The Committee will be responsible for developing policy on matters of mutual concern to elementary, secondary and higher education such as Occupational and Career Education, Teacher Preparation and Certification, Educational Finance, Articulation between Elementary, Secondary and Higher Education and Research and Planning. The joint Education Committee shall meet at least quarterly and submit an annual report of its findings, conclusions, and recommendations to the State Board of Education, the Board of Higher Education, the Illinois Community College Board, the Human Resource Investment Council, the Governor, and the General Assembly. All meetings of this Committee shall be official meetings for reimbursement under this Act. On the effective date of this amendatory Act of the 95th General Assembly, the Joint Education Committee is abolished.

E. Five members of the Board shall constitute a quorum. A majority vote of the members appointed, confirmed and serving on the Board is required to approve any action, except that the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory act of the 93rd General Assembly may vote to approve actions when appointed and serving.

Using the most recently available data, the Board shall prepare and submit to the General Assembly and the Governor on or before January 14, 1976 and annually thereafter a report or reports of its findings and recommendations. Such annual report shall contain a separate section which provides a critique and analysis of the status of education in Illinois and which identifies its specific problems and recommends express solutions therefor. Such annual report also shall contain the following information for the preceding year ending on June 30: each act or omission of a school district of which the State Board of Education has knowledge as a consequence of scheduled, approved visits and which constituted a failure by the district to comply with applicable State or federal laws or regulations relating to public education, the name of such district, the date or dates on which the State Board of Education notified the school district of such act or omission, and what action, if any, the school district took with respect thereto after being notified thereof by the State Board of Education. The report shall also include the statewide high school dropout rate by grade level, sex and race and the annual student dropout rate of and the number of students who graduate from, transfer from or otherwise leave bilingual programs. The Auditor General shall annually perform a compliance audit of the State Board of Education's performance of the reporting duty imposed by this amendatory Act of 1986. A regular system of communication with other directly related State agencies shall be implemented.
The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Council, as required by Section 3.1 of the General Assembly Organization Act, and filing such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act.

F. Upon appointment of the 7 new Board members who were appointed to fill seats of members whose terms were terminated on the effective date of this amendatory Act of the 93rd General Assembly, the Board shall review all of its current rules in an effort to streamline procedures, improve efficiency, and eliminate unnecessary forms and paperwork.

The Illinois State Board of Education recognizes its responsibility to lead the effort to provide an excellent education for every child in Illinois. The task demands the highest standards of professional and ethical conduct to inspire confidence that this Board will meet the goal. 11. Definitions. The following Conflicts of Interest Policy shall apply to any matter in which a State Board member has or may have a conflict of interest. A member has a conflict of interest in a matter if the member’s interest, either through employment business, investment or family, might reasonably create the appearance of or result in;

1. using public office for direct or indirect private gain;
2. giving preferential treatment to any organization or person;
3. losing independence or impartiality of action;

If the conflict has not been identified prior to the Board meeting, the Board member with a conflict must disclose the conflict to the Board before action istaken

Determination of Potential Conflict of Interest.

The Board secretary shall maintain a list of Board member interests so that the Board may determine on a monthly basis if Board member interests cause a conflict of interest. Board staff shall include in the Board memorandum regarding each action item if they believe a Board member has a conflict along with a recommendation as to whether that member should abstain from participating in action on the agenda item. If a Board member disputes the conflict or if Board staff is unsure whether a particular interest constitutes a conflict, the Board may use any of the following procedures to determine if a conflict of interest exists.

i. The Board, the member, or Board staff may request a determination from the General Counsel of the State Board of Education;

ii. The member may ask the Board to determine whether such an interest constitutes a conflict of interest. The Board shall ask the member with the potential conflict of interest to leave the meeting during such discussions or deliberations on whether a conflict of interest exists. The member with the potential conflict of interest may be counted in determining the existence of a quorum at any meeting of the Board where the interest is discussed but shall not vote on whether a conflict exists. A majority of the non-interested Board members present at a meeting at which a quorum is present must determine whether a conflict exists; or
iii. The member with the potential conflict of interest may indicate his or her willingness to follow the procedures set forth in Section 1.4 of this Policy absent a determination by the Board that a conflict of interest exists.

14. Procedure When Conflict of Interest Determined. Upon the Board’s determination that a conflict of interest exists:

   i. The Chairperson may appoint a non-interested person to investigate alternatives to the proposed transaction or arrangement;

   ii. The Board must approve the matter involving the conflict of interest by a majority vote of non-interested members as being in the best interest of the Board and for the Board’s own benefit; and

   iii. The member with the conflict of interest shall not participate in the discussion or vote regarding the matter.

15. Procedures for Adequate Record Keeping. The minutes of the meeting of the Board shall include: (i) the names of the member(s) who disclosed an actual or potential conflict of interest, the nature of the conflict of interest, and whether the Board determined there may be a conflict of interest; and (ii) the names of the members who were present for discussion and votes relating to the matter, the content of these discussions, and a record of the vote.
