Reimbursement Rates for Program Year 2023**

The Child and Adult Care Food Program (CACFP) is a United States Department of Agriculture (USDA)-funded program administered by the Illinois State Board of Education (ISBE), which provides reimbursement for meals served to children ages birth through 12 years enrolled in a day care home. To participate in the CACFP, a day care home provider must sign an agreement with a sponsoring organization before participating and receiving monies for serving nutritious meals in the CACFP.

The reimbursement rates for participating Day Care Home providers for qualifying meal reimbursement are updated annually each year. The United States Department of Agriculture (USDA) has issued the following Child and Adult Care Food Program reimbursement rates effective *July 1, 2022 through June 30, 2023*.

	<u>Breakfast</u>	<u>Lunch/Supper</u>	<u>Snack</u>
Tier I	\$1.66	\$ 3.04	\$0.97
Tier II	\$1.66	\$ 3.04	\$0.97

Sponsoring organizations are responsible for the administration of the CACFP for day care home providers. Sponsoring organizations participating in the CACFP must be a not-for-profit or public organization and must have an electronically confirmed permanent agreement on file with the Illinois State Board of Education to provide reimbursement to licensed and license-exempt day care homes. The administrative payment for sponsoring organizations of day care homes *July 1, 2022 through June 30, 2023* is as follows:

Initial first 50 day care homes	\$137.00
Next 150 day care homes	\$104.00
Next 800 day care homes	\$81.00
Any additional day care homes	\$72.00

If you have any questions please contact CACFP staff.

Important Note: These rates include the 12-month, temporary funding of an additional 10 cents per meal and snack provided by the Keep Kids Fed Act of 2022 (KKFA). The KKFA also authorizes Tier II family or group day care homes to be reimbursed at Tier I rates for the time period starting July 1, 2022, through June 30, 2023.
