

**ILLINOIS STATE BOARD OF EDUCATION: SCHOOL BUSINESS SERVICES  
SCHOOL DISTRICT REORGANIZATION  
FY 2017 FEASIBILITY STUDY  
GENERAL SCALE OF PAYMENT**

The Illinois State Board of Education shall set the final state allotment for each study after review of the submitted study agreement. Funding shall be contingent on factors such as the number of districts involved in the study, the combined student enrollment of districts involved in the study, multiple studies with the same district or districts, new study versus update of a prior state-funded study, etc. In no instance shall the state allotment for any study exceed the General Scale of Payment detailed below or the total cost of the study, whichever is less.
