

WHAT IS MEANINGFUL ACCESS TO INSTRUCTION FOR ENGLISH LEARNERS?

Meaningful access to instruction for English learners must include these required components:

- Content-driven, standards-based, differentiated English language development instruction to ensure full access to the core curriculum.
- Home language instruction in all content areas and heritage culture and language (for all dual language and transitional bilingual instructional designs to ensure grade-level content learning, access to the core curriculum, and promote bilingualism and biliteracy).
- Home language support as needed to improve comprehension of and meaningful participation of ELs in core instruction in sheltered and English language instructional programs.
