

Illinois Community Eligibility Provision (CEP)  
School Year 2014-15  
District Wide Possibly Eligible Data

Based on the Verification Summary Report data submitted by the schools to ISBE, this file contains sponsors in which the **entire district** as a group is eligible (40% Identified Students or greater) or close to eligible (30-39% Identified Students). District wide eligibility is determined by adding together the total number of Identified Students for all schools in the district and dividing it by the total enrollment for all schools in the district. The data contained on this document indicates if the sponsor may be eligible district wide, however, if you choose to participate in CEP you can participate as individual sites, groups of sites or districtwide.

If applying for CEP, the Identified Student numbers must come from April 1 of the year prior to participation. For example, if applying to start CEP for School Year 2014-2015, the Identified Student number and enrollment must come from April 1, 2014.

The term Identified Students is different from free and reduced eligible students. Identified Students include the following:

- Those directly certified for free meals through participation in the Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), income eligible Medicaid (in selected districts), foster children and the extension of benefits to students within the same household.
- Homeless (certified by the homeless coordinator)
- Runaway (certified by the runaway coordinator)
- Migrant youth (certified by the migrant coordinator)
- Head Start (certified by the Head Start Coordinator)

**School Districts in which **districtwide** eligibility is 100%-40%

Nutrition and Wellness Programs Division

April 2014

**Illinois Community Eligibility Provision (CEP)  
Site Level Possibly Eligible Data**

Based on the Verification Summary Report data submitted by the schools to ISBE, this file contains a listing of school sites that are eligible (40% Identified Students or greater) or close to eligible (30-39% Identified Students). If applying for CEP, the Identified Student numbers must come from April 1 of the year prior to participation. For example, if applying to start CEP for School Year 2014-2015, the Identified Student number and enrollment must come from April 1, 2014.

The term Identified Students is different from free and reduced eligible students. Identified Students include the following:

- Those directly certified for free meals through participation in the Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), income eligible Medicaid (in selected districts), foster children and the extension of benefits to students within the same household.
- Homeless (certified by the homeless coordinator)
- Runaway (certified by the runaway coordinator)
- Migrant youth (certified by the migrant coordinator)
- Head Start (certified by the Head Start Coordinator)

**School Sites with 100%-40% Identified Students based on data submitted on the Verification Summary Report**
