Data Elements	Code	Value	Description	Data Type	Mandatory/Optional
In Home School On or Before May 1st			Identifies a student enrolled continuously in their home school on or before May 1 of the previous school year. This includes students who matriculated from one school to another within the same district (e.g., from a K-2 building to a 3-5 building), and students who were moved from one school to another within the same district because of district needs (e.g., overcrowding, school closing), and students who have been expelled for any period of time from the home school and have returned to the home school. It does not include students who moved from one school to another for parental reasons (e.g., family relocated in the district, parental choice under NCLB). Scores for these students will not count for AYP performance in the new school during the current school year.	char(2)	Mandatory
	01	Yes	This also includes students who matriculated from one school in an elementary school district to another school in a high school district (e.g., from a K-8 building in an elementary school district to a 9-12 building in a high school district).		
	02	No
