

## **July 14, 2016 UPDATE: Spring 2016 PARCC Data**

### **PARCC Data in ISBE's Student Information System (SIS)**

The 2015-16 preliminary PARCC score data originally scheduled to be posted in SIS on Monday, June 20, 2016, are not yet complete. In lieu of posting incomplete data in SIS, ISBE gave access to available PARCC data to specific user accounts in PearsonAccess<sup>next</sup> (PAN) beginning on June 20, 2016. Due to a delay in the receipt of data from the vendor, data are now scheduled to be posted in SIS on Monday, July 18. See page 3 for details.

Data in SIS as of 4 p.m. Thursday, July 21 will be sent to Pearson for hard copy PARCC report production. The deadline for corrections to be used for School Report Card purposes will be communicated here as soon as it is determined.

### **PARCC Data in PearsonAccess<sup>next</sup> (PAN)**

On Monday, June 20, ISBE added a new role called the "ONDEMAND ADMIN REPORT ACCESS" user role to users having the "PUBLISHED REPORTS" role. The "ONDEMAND ADMIN REPORT ACCESS" user role allows users to access currently-available score data for spring 2016 via PAN. Users with this role may also give this role to other users, as applicable. The table of available on-demand and student list reports below will be updated as data become available.

#### ***Important Note:***

Once a user has the ONDEMAND ADMIN REPORT ACCESS user role, they will have the ability to assign this role to other user accounts. Make sure to assign the **ONDEMAND ADMIN REPORT ACCESS** user role and **not** the **ONDEMAND TEACHER REPORT ACCESS** user role.

Users assigned the ONDEMAND TEACHER REPORT ACCESS user role will not be able to see any reports unless their user account is assigned to a class within PAN. Users assigned both new roles will also be impacted by this restriction.

#### ***Additional Notes:***

- On-Demand Reports are available for individual students.
- Student List Reports are available in the following formats: PDF, Excel, CSV
- On-Demand and Student List Reports are available for students whom your school tested.
- On-Demand and Student List Reports are NOT available for Fall 2015 testing because final data are available. Toggle to 2015 Fall Block EOY PARCC and select "Published Reports" from the "Reports" dropdown menu.

Data will be added to PAN as it becomes available. See page 2 for details.

Basic Steps to access On-Demand and Student List Reports:

1. Login to PAN ([www.pearsonaccessnext.com](http://www.pearsonaccessnext.com)); choose Illinois.
