\*Includes children served for their second year in the Prekindergarten At-Risk Program.

\*\*Projects report children on the waiting list based on only those parents who opt to be placed on the waiting list. Some parents enroll their children in Head Start or another preschool program and would not be on a waiting list. Children who were on a waiting list in the previous school year could have been enrolled in the current school year.

\*\*\*Since FY99, \$153.6 million was appropriated as a part of the Early Childhood block grant. The amount spent on prekindergarten programs is not available.

\*\*\*\*Includes data from the Preschool For All program.

na = data not available.
