President's Student Service Challenge

President's Student Service Challenge

Millions of students volunteer every day - improving communities and making America stronger. Launched this year, the President's Student Service Challenge is an opportunity for schools, colleges, and community organizations to recognize these young people for their outstanding community service and to encourage more young people to serve.

President's Student Service Scholarships
Each high school in the country may select one junior or senior to receive a $1,000 scholarship for outstanding service to the community. The Corporation for National Service provides $500 for each scholarship matched with $500 from the community. Scholarship recipients must have served at least 100 hours within a 12-month period. In addition to the scholarship, students receive the President's Student Service Award gold pin, as well as a presidential certificate and a letter from the President.
