	Reason for Void PARCC PBA/EOY and DLM-AA		
Code	**Value**	**Definition**	**Data Type**

01	Incorrect Accommodation	Student did not have access to an accommodation that was needed, or student received an accommodation that should not have been provided.
		
		Notes:
		  - ISBE will apply this code automatically to all initial PARCC PBA and EOY records having Void Code 01 from PearsonAccessnext.
		
		  - If there is no other valid test attempt, the Reason for No Valid Test Attempt will default to Code 10, "Absent from Testing" and may be edited as needed.
			char(2)

02	Other	Student test attempt was voided for a reason other than incorrect accommodation.
		
		Notes:
		  - ISBE will apply this code automatically to all initial PARCC PBA and EOY records having Void Codes 02-10 from PearsonAccessnext.
		
		  - If there is no other valid test attempt, the Reason for No Valid Test Attempt will default to Code 10, "Absent from Testing" and may be edited as needed.
