- By checking this box, the applicant hereby certifies that he or she has read, understood and will comply with the assurances listed below, as applicable to the program for which funding is requested.

The applicant hereby certifies and assures the Illinois State Board of Education that:

Federal Assurances

1. Use its School Improvement Grant (SIG) 1003(G) to implement fully and effectively an intervention in each Tier 1 and Tier II school, or each Priority school, that the LEA commits to serve consistent with the final requirements.
2. Establish annual goals for student achievement on the State's assessment in both reading/language arts and mathematics, and measure progress on the leading indicators in Section III of the Final Requirements in order to monitor each Tier I and Tier II school, or Priority school, that it serves with school improvement funds, and establish goals (approved by the SEA) to hold accountable its Tier III schools that receive school improvement funds.
3. If it implements a restart model in a Tier I or Tier II school, or Priority school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final requirements.
4. Monitor and evaluate the actions a school has taken, as outlined in the approved SIG application, to recruit, select, and provide oversight to external providers to ensure their quality.
5. Monitor and evaluate the actions schools have taken, as outlined in the approved SIG application, to sustain the reforms after the funding period ends and that it will provide technical assistance to schools regarding how they can sustain progress in the absence of SIG funding.
6. Report to the SEA the school-level data required under Section III of the Final Requirements.
7. SIG funds cannot supplant non-federal funds or be used to replace existing services.

State Assurances

1. Implement a new evaluation system for teachers and principals incorporating student growth as a significant factor along with other factors as described in Public Act 096-0008 (105 ILCS 5/24A-7) no later than the 2015-16 school year. The evaluation system should fairly and accurately differentiate teachers, identify and reward effective performance, and identify and address ineffective performance.
2. Establish a five-year budget for each school identified in the application that does not exceed \$2 million per year.
3. Participate in any program-related evaluations or studies required for participation in this grant.
4. Report other program information required by the Illinois State Board of Education (ISBE) or U.S. Department of Education (ED).
5. Submit quarterly financial expenditure reports as of September 30, December 31, March 31 and June 30 to ISBE within 20 calendar days after the last day of each quarter.
6. Do not subcontract with any entity without prior written approval of the State Superintendent of Education. See item 6 of the Certifications and Assurances, and Standard Terms of the Grant for the type of information that must be submitted with the proposal about any proposed subcontracts to be funded with the grant.
7. Contact ISBE for prior approval to discontinue a contract with a Lead Partner or other approved subcontractor.
8. Contact ISBE for approval to add a new or different Lead Partner.
9. Contact ISBE if the principal named in the original application leaves the school and/or district for any reason for pre-approval of the recruitment and selection process for the new principal.
10. Limit administrative costs to five percent of the total budget. Administrative costs include: General Administration - function 2300, Fiscal Services - function 2520, and Payments to Other Districts and Governmental Units - function code 4000.
11. LEAs with more than one award may not combine funds into one account. The amount awarded to each school must be spent specifically on implementation of the intervention model in that school.
12. SIG funds must be tracked and reported separately from the Title I, Part A funds. Local fiscal agents are to place improvement funds in a Title I account assigned for school improvement. These funding numbers must not be the same as those used for the Title I Basic grant award or SIG. LEAs with more than one award may not combine funds into one account. The amount awarded to each school must be spent specifically on implementation of the intervention model in that school.
13. All LEAs and Lead Partners must participate in all evaluation, data collection, and reporting activities conducted by ED and ISBE that include, but are not limited to: participating in on-site reviews conducted by ISBE; participating in designated school improvement activities and technical assistance offered by ISBE; updating annual improvement goals; submitting a revised budget and annual budget summary; submitting quarterly expenditure reports; submitting quarterly progress reports; reporting progress on ED-identified indicators and metrics in the following categories: School Data, Student Outcomes and Academic Progress, Student Culture and Climate, and Teacher Talent.
14. The LEA will contract and work with an external provider, hereto referred to as a Lead Partner organization, which it will screen and select from the Approved Partner list on the ISBE website. If the LEA decides to propose an unapproved Lead Partner, the LEA must submit a request for approval to ISBE prior to the execution of a subcontract funded with SIG funds in which it describes how the LEA recruited, screened, and selected the provider. The proposed Lead Partner is required to submit an application to ISBE and to detail their experiences and record of success in supporting academically underperforming schools.

Funds may only be expended for activities occurring during the Term.
 - A. State funded grants: All grant funds and earned interest shall be subject to the Illinois Grant Funds Recovery Act (30 ILCS 705). Interest earned on State funded grant programs and grant funds not expended or obligated by the end of the Term, as well as interest earned after the Term has expired, must be returned to the Illinois State Board of Education within forty-five (45) calendar days following the end of the Term.
 - B. Federally funded grants: Interest earned in excess of \$500 per year must be returned to the Illinois State Board of Education, with checks payable to the Illinois State Board of Education.
- For-Profit award recipients shall not utilize grant funds in any manner for normal operating expenses or to generate a profit. The applicant certifies that notwithstanding any other provision of the application, proposal, or Grant Agreement, grant funds shall not be used and will not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.
13. The applicant, in compliance with the provisions of 30 ILCS 105/9.07, will not expend any funds received from the Illinois General Revenue Fund for promotional items including calendars, pens, buttons, pins, magnets, and any other similar promotional items.
14. Financial and Performance Reports: Quarterly expenditure reports are required of all award recipients receiving funds, unless otherwise specified in the program-specific terms or the request for proposals. Quarterly reports must describe the progress of the project or use and the expenditure of the grant funds. The expenditure through dates to be used in reporting expenditures and obligations are from the project beginning date through September 30, December 31, March 31, and June 30 of each fiscal year and the project ending date.

Those entities with established IWAS accounts with the Illinois State Board of Education must electronically submit expenditure reports by the required due dates specified within the Grant Agreement. Those entities not enrolled in IWAS must request paper expenditure report forms not later than twenty (20) calendar days before the due dates specified within the Grant Agreement to the Illinois State Board of Education. Expenditure reports are due twenty (20) calendar days after the expenditure through date. Failure to file the required reports within the timelines will result in a breach of the Grant Agreement. Upon any such breach, the Illinois State Board of Education may, without limitation, withhold the current year's payments and payments for future years' projects under the same program until the reports are properly filed.

All grant funds must be spent or obligated, and all activities must be completed prior to the project ending date. Each award recipient must submit a completion report showing the obligations and the expenditures for the project no later than twenty (20) calendar days after the project ending date.

If a completion report was filed through the project ending date and had no outstanding obligations, the completion report will be the award recipient's final expenditure report. Failure to submit this completion/final expenditure report will result in current and subsequent years' project funding being withheld until the report is received. In cases where final expenditures are less than total disbursements, the overpayment must be returned to the Illinois State Board of Education within forty-five (45) calendar days of the project ending date for all state grants or federal grants that do not expressly allow carryover funds. Failure to return the funds will result in a breach of the Grant Agreement. Upon any such breach, the Illinois State Board of Education may, without limitation, withhold current and subsequent years' project funding until the overpayment is returned.

If a completion report was filed with outstanding obligations, then a final expenditure report showing total project expenditures (with all prior obligations paid) must be submitted no later than ninety (90) calendar days after the project ending date.

Failure to submit the final expenditure report will result in current and subsequent years' project funding being withheld until the report is received. In cases where final expenditures are less than total disbursements, the overpayment must be returned to the State Board of Education within forty-five (45) calendar days of the project ending date for all state grants or federal grants that do not expressly allow carryover funds. Failure to return the funds will result in a breach of the Grant Agreement. Upon any such breach, the State Board of Education may, without limitation, withhold current and subsequent years' project funding until the overpayment is returned.

15. The award recipient will maintain records on project and fiscal activities related to each award for a period of three (3) years following the project ending date either for a state-funded or federally-funded project. Such records shall include a fiscal accounting for all monies in accordance with generally accepted governmental accounting principles. If there are outstanding audit exceptions, records will be retained on file until such exceptions are closed out to the satisfaction of the Illinois State Board of Education.
16. The Illinois State Board of Education and other governmental entities with program monitoring authority shall, during the Term and for a period of three (3) years thereafter (or until no outstanding audit exceptions remain, whichever is later), have the right at any time to conduct on-site or off-site inspections of the award recipient's records and project operations for auditing and monitoring purposes. The award recipient shall, during the Term and for a period of three (3) years thereafter (or until no outstanding audit exceptions remain, whichever is later) and upon the request of the Illinois State Board of Education, provide the Illinois State Board of Education with information and documentation (including books, records, or papers related to the project) regarding the award recipient's progress or performance with respect to the administration and operation of the project.

NO BINDING OBLIGATION

17. The applicant acknowledges and agrees that the selection of its proposal for funding, or approval to fund an application, shall not be deemed to be a binding obligation of the Illinois State Board of Education until such time as a final Grant Agreement is entered into between the applicant and the Illinois State Board of Education. Prior to the execution of a final Grant Agreement, the Illinois State Board of Education may withdraw its award of funding to the applicant at any time, for any reason.

COPYRIGHT

18. All rights, including copyright to data, information and/or other materials developed pursuant to an award, are retained by the Illinois State Board of Education, unless otherwise agreed in writing by the Illinois State Board of Education. All such work products produced by the award recipient through work pursuant to the award shall be made available to the Illinois State Board of Education upon request.

DEFAULT AND TERMINATION

19. The award recipient will be in default of the grant award and the corresponding Grant Agreement if it breaches any

representation or warranty made in the Grant Agreement, the Program-Specific Terms or in these Certifications and Assurances, and Standard Terms of the Grant, or fails to observe or perform any covenant, agreement, obligation, duty or provision set forth in the Grant Agreement, the Program-Specific Terms or in these Certifications and Assurances, and Standard Terms of the Grant. Upon default by the award recipient and written notification by the Illinois State Board of Education, the award recipient will have ten (10) calendar days in which to cure the default to the satisfaction of the Illinois State Board of Education. If the default is not cured to the satisfaction of the Illinois State Board of Education, the Illinois State Board of Education shall thereafter have full right and authority to terminate the Grant Agreement and/or seek such other remedy that may be available at law or in equity. Upon termination of the Grant Agreement, the award recipient will cease all use of grant funds, shall cancel all cancelable obligations relating to the project, and shall return all unexpended grant funds to the Illinois State Board of Education within forty-five (45) calendar days of termination.

INDEMNIFICATION

20. To the fullest extent permitted by law, the award recipient shall indemnify, defend and hold harmless the State of Illinois, the Illinois State Board of Education, and their respective members, officers, agents and employees against all claims, demands, suits, liabilities, injuries (personal or bodily), property damage, causes of action, losses, costs, expenses, damages or penalties, including, without limitation, reasonable defense costs, reasonable legal fees, and the reasonable value of time spent by the Attorney General's Office, arising or resulting from, or occasioned by or in connection with (a) any bodily injury or property damage resulting or arising from any act or omission to act (whether negligent, willful, wrongful, or otherwise) by the award recipient, its subcontractors, subgrantees, volunteers, anyone directly or indirectly employed by them, or anyone for whose acts they may be liable; (b) failure by the award recipient or its subcontractors, subgrantees, or volunteers to comply with any laws applicable to the performance of the grant; (c) any breach of the Grant Agreement, including, without limitation, any representation or warranty provided by the award recipient herein; (d) any infringement of any copyright, trademark, patent, or other intellectual property right; or (e) the alleged unconstitutionality or invalidity of the Grant Agreement. Neither the award recipient nor its employees or subcontractors shall be considered agents or employees of the Illinois State Board of Education or of the State of Illinois.

If the applicant is a government unit only, it is understood and agreed that neither the applicant nor the Illinois State Board of Education shall be liable to each other for any negligent or wrongful acts, either of commission or omission, unless such liability is imposed by law.
