Dear Ms. Clementz,

The dates for the summer program and planning at Matherly-Withrow Elementary School extend beyond the project end date of June 30, 2016. In order to compensate staff for participating in the program and planning, we are requesting the project end date be extended to August 31, 2016. Thank you in advance for this consideration.

Sincerely,

A handwritten signature in black ink that reads "Jennifer E. Gill". The signature is written in a cursive style and is positioned above the printed name.
