- The Date of Birth must be greater than or equal to 1 day and less than 22 years.
- Birth to 3 students must be born on or before the Enrollment date and less than 3 years old.
- Pre-K students must be at least 3 years old on the enrollment date and less than 6 years old as of September 1st of current school year.
- K 12 students must be at least 3 years old and less than 22 years on the enrollment date.
- The following fields only contain alpha characters with the exception of hyphens ("-") and spaces:
- First Name,
- Legal Middle Name,
- Legal Last Name,
- Mother's Maiden Name, and
- Birth Place Name

Notes on Naming:

- The middle name is the only exception to this rule. An asterisk is the only other special character accepted in the middle name field besides the hyphen and space. An asterisk should only be used if a student does NOT have a middle name.
- Periods, commas, and apostrophes are not accepted. The period in names should be replaced with a space.
- Space or apostrophe in names such as OBrien and McDonald and MacDonald should be removed, as SoundEX does not identify "O'Brien" and "Obrien" as the same name.
- In the case of Hispanic children whose mother's maiden name may appear on the birth certificate and whose father's last name may appear on the social security card, it is recommended that the last name for the student be submitted with the Mother's Maiden Name followed by a hyphen (-) followed by the Father's Last Name.
