64	120130100260002	Clay City CUSD 10	Clay City High School		X						X	1) Students are identified as at-risk and provided additional study hall time with tutoring to meet their needs. 2) Extra math tutoring periods with re-teaching for those not making adequate progress in the classroom and on assessments. 3) Students exceeding on state assessments are provided online classes for enrichment. 4) Data reviews are conducted to drive instruction. 5) Curriculum is research-based.
65	220290030260001	CUSD 3 Fulton County	Cuba Sr High School		X						X	Has implemented a variety of researched based interventions in reading and math. Some examples of the programs being utilized are Reading Plus, Lexia, and ALEKS. Team meetings occur on a weekly basis with a variety of staff members including, teachers, school psychologist, special education coordinator, and principal. An intervention period is scheduled into the school day to ensure adequate and timely interventions are occurring. The building has also addressed Social and Emotional Learning by integrating Lions Quest throughout the year.
66	020910660220001	Dongola USD 66	Dongola High School		X				X			Used ThinkLink testing to identify students strengths and weaknesses. Students were placed in smaller learning communities based upon data (utilizing RtI models). Graduation rates increased with credit recovery programs, re-engagement strategies and competency-based instruction.

73	020771010260001	Meridian CUSD 101	Meridian High School	X							X	Replaced the principal. Moved/Released/Resigned staff members from vocational or core classes. Established a New Teacher Orientation. Coordinating Core/Vocational Teachers working together to improve student academic growth. Involving in the academic as well as curriculum. Implementing the Cambridge/Explore/Plan Tests. Tracking scores of standardized test to determine students 'strengths and weaknesses. Following up on data to determine how students are doing through the year. Involving vocational and academic students almost every student is engaged in the problem-solving and creative thinking process. Working with local businesses/agencies to incorporate real situations. Rewarding Teachers and students for success on the PSAE. Discussing projects with local resource people so student see real world situations and determining solutions to them. Interviewing, checking and selecting the best teachers for the position. Determining the vertical and horizontal education of students. Understanding how students learn and adjusting lesson plans to the students styles. Increasing dual credit opportunities for students. Providing Credit Recovery Program. Providing a technology show case to show what was learned during the school year.
74	130581000260002	Patoka CUSD 100	Patoka Sr High School		X							1. Professional development for alignment with schools comprehensive instructional program. Send to workshops on implementing core standards into the curriculum. Working on vertical transitions in the curriculum. 2. Implemented RTI program. Establishes early warning system to identify students who might be at high risk.. Implemented after school tutoring to all students. Implemented PBIS program for positive behavior. Involving parents and community involvement in academic concerns. 3. Increasing formative and summative assessments. Examples would be explorer, plan and auto skills assessments. 4. Moved high school math teacher. She is teaching high school and middle school math. This should help with vertical movement through the math curriculum.
