Welcome to the

PARCC Assessment Program

PARCC states have committed to building a K-12 student assessment system that:

- Builds a pathway to college and career readiness for all students,
- Creates high-quality assessments that measure the full range of the Common Core State Standards,
- Supports educators in the classroom,
- Makes better use of technology in assessments, and advances accountability at all levels.

Features

This Web site, hosted on PearsonAccess, serves as the entry point to all Pearson services used by school districts participating in the PARCC consortium.

PearsonAccess is used to create, deliver, score, report, and analyze summative, formative, and alternative assessments. PearsonAccess provides many other custom online and paper-based testing and reporting services.

Create, Deliver, Score, Report, Analyze

- View and send student data
- Manage participation counts
- Register students for testing
