\* 2013 allocations assume enactment of the Administration's proposed appropriations language that authorizes the Department to calculate a State's allocation without regard to a reduction in funding in a prior year resulting from a failure to meet the maintenance of State financial support requirements in section 612 of the IDEA.

\*\* For Vocational Rehabilitation State Grants, the amount shown is the FY 2012 level increased by the mandatory CPIU inflationary increase (3.5 percent).

\*\*\* There is no reduction in allocations for a number of States because of "hold harmless" provisions in the authorizing statute.

NOTE: Total reflects these 12 programs only, States would also receive other funds from the Department of Education.
