## **Professional Review Panel Committee Listing February 2025**

All committee study topics will be viewed through the Equity Lens and all committee reports will have an Equity Impact Analysis.

### **Distribution Impact Monitoring Committee**

This committee will review and study issues regarding the distribution of Evidence-Based Funding as directed by 105 ILCS 5/18-8.15(i). Examples include evaluation of the hold harmless provision and local capacity target.

Membership: Gary Tipsord, chair; Sarah Miller; Quennetta Chambers; Dr. Rebecca Hinze-Pifer

### **Programs Committee**

This committee will review and study issues regarding programmatic changes to Evidence-Based Funding as directed by 105 ILCS 5/18-8.15(i). Examples include college and career acceleration strategies, special education, alternative education funding, and early childhood.

Membership: Dr. David Negron, chair; Jessica Handy; Julie Wollerman; Pavlyn Jankov

### **Recalibrate Committee**

This committee will review and study issues regarding recalibration of Evidence-Based Funding as directed by 105 ILCS 5/18-8.15(i). Examples include benefits, technology, comparable wage index, and maintenance and operations.

Membership: Ralph Martire, chair; Darin Loepker; Robin Steans; Dr. Ann Williams

### **Reporting Committee**

This committee will review and study issues regarding reporting and transparency related to Evidence-Based Funding as directed by 105 ILCS 5/18-8.15(i). Examples include the evaluative study, strategic plan, and the annual spending plan.

Membership: Cynthia Riseman-Lund, chair; Dr. Marcus Belin; Dr. Rebekah Buchanan; Dr. Michael Karner
