

**Professional Review Panel
Committee Listing
April 2022**

All committee study topics will be viewed through the Equity Lens and all committee reports will have an Equity Impact Analysis.

Distribution Impact Monitoring Committee

This committee will review and study issues regarding the distribution of Evidence-Based Funding as directed by 105 ILCS 5/18-8.15(i). Examples include evaluation of the hold harmless provision and local capacity target.

Membership: Gary Tipsord, chair; Tianna Cervantez; Quennetta Chambers; Rebecca Hinze-Pifer; Gregg Murphy

Programs Committee

This committee will review and study issues regarding programmatic changes to Evidence-Based Funding as directed by 105 ILCS 5/18-8.15(i). Examples include college and career acceleration strategies, special education, alternative education funding, and early childhood.

Membership: David Negron, chair; Jessica Handy; Unique Morris; Andrea Ortez; Julie Wollerman

Recalibrate Committee

This committee will review and study issues regarding recalibration of Evidence-Based Funding as directed by 105 ILCS 5/18-8.15(i). Examples include benefits, technology, comparable wage index, and maintenance and operations.

Membership: Ralph Martire, chair; Tim Custis; Monica Rojas; Robin Steans, Heather Wendell; Ann Williams

Reporting Committee

This committee will review and study issues regarding reporting and transparency related to Evidence-Based Funding as directed by 105 ILCS 5/18-8.15(i). Examples include the evaluative study, strategic plan, and the annual spending plan.

Membership: Jane Russell, chair; Marcus Belin; Rebekah Buchanan; Robin Steans; Gloria Trejo; Tom Tully
