### NEW - WIDA AMS – Test Setup is Now Active

Student records are now loaded into WIDA AMS for 2016-17, and test setup is available. ### ACCESS Material Delivery & Additional Material Window Update

The delivery date for ACCESS for ELLs materials, for 2016-17, is being changed from December 28<sup>th</sup>, 2016 to **January 5<sup>th</sup>, 2017** to better accommodate the holiday schedule of most districts and schools in Illinois. If you are receiving paper ACCESS materials, please ensure that district/school staff are present at your delivery site to receive these test materials from UPS on **January 5<sup>th</sup>, 2017**, and secure them in an appropriate location.

The additional ACCESS materials ordering window is also being changed to match the new delivery date. Instead of beginning December 28<sup>th</sup>, 2016, it will now begin on **January 5<sup>th</sup>, 2017**. The final day for placing additional orders remains the same, February 17<sup>th</sup>, 2017.
