ACCESS for ELLs – New Report

WIDA has developed a new *Individual Student Report* or ACCESS for ELLs 2.0, Kindergarten ACCESS for ELLs, and Alternate ACCESS for ELLs. It's intended for both families and educators, folding the Student Report, Teacher Report, and Parent Report into a single document. One copy will be included in the report package sent to districts and schools on August 1st. Additional copies may be acquired as PDF files in WIDA-AMS. The reports to be sent out for 2016 are the

- Individual Student Report for Kindergarten
- Individual Student Report for Grades 1-12
- Parent-Guardian Report (Kindergarten only)
- Student Roster
- School Frequency Report
- District Frequency Report

In addition, there are a number of guides and other resources available for the first time online. See <https://www.wida.us/assessment/ACCESS20.aspx#scoring>, for more information.

State Assessment Review Committee

The State Assessment Review Committee (SARC) is conducting a “PARCC listening tour” to collect feedback from students, parents, teachers, and administrators about the second year of PARCC administration in Illinois schools. SARC was created by SB 3412 (98th GA – Steans/W. Davis).

There are three ways the public can share their input to be included in SARC’s final report:

1. In a “focus group”-style conversation with 1-2 members of the SARC committee.
2. Through a survey:
 - Teacher survey: <https://www.surveymonkey.com/r/BJYKK7K>
 - Student survey: <https://www.surveymonkey.com/r/B5LHMMR>

- Parent survey: <https://www.surveymonkey.com/r/H2GYWVX>
- Parent survey (Spanish): <https://www.surveymonkey.com/r/M8FRW5X>

3. At the July 7 SARC public hearing from 1-4pm in ISBE V-tel (Springfield and Chicago)
