Housekeeping Before Your School Closes

Place All Test Session in Stop Status

If your school/district has completed the PARCC assessments, please stop the test sessions (in Pearson Access Next). Student responses are not submitted for scoring until a session is placed in the “Stop” status. See <http://www.isbe.net/assessment/pdfs/parcc/2016/parcc-stop-test-sessions-guide.pdf> for directions on how to stop test sessions in Pearson Access Next, or call the PARCC Help Desk at 888-493-9888. There are still a large number of test sessions that have not been placed in “Stop” status.

Returning Test Material to Pearson

Please make sure all paper test material (that needs to be returned to Pearson) is shipped back to Pearson before school closes down for the school year. Information on what material needs to be returned is found on pages 47-53 in the Test Coordinator Manual.

DLM Information
