## GRANTS

### FY 20 EL - TITLE III INTEND TO APPLY

If your district receives a request for additional information regarding your EL – Title III Intend to Apply, please respond and **verify your EL student data on SIS by March 29, 2019.**

### FY20 CONSOLIDATED DISTRICT PLAN

The FY20 Consolidated District Plan (CDP) is active on IWAS. If you do not have access to the system, please request access from your District Superintendent. There is no deadline for the CDP, but every district that plans to apply for

Title III Funding (or any of the other 10 grants that are part of the CDP) must have an approved CDP on file with ISBE before grant applications are approved. **Please note that districts applying for Title III must also have an approved FY20 EL – Title III Intend to Apply on file with ISBE.**

The Consolidated District Plan allow districts to answer one set of planning questions to meet the requirements of 12 federal formula grants, including the Title III Language Instruction Education Program (LIEP) Grant and the Title III Immigrant Education Grant. Based on ISBE's Goals and District Goals, the CDP will serve as a tool to help districts plan accordingly for uses of funds under the 12 formula grants. Additionally, this will help ISBE better understand districts for holistic supports to students. You may find additional information on the CDP, including webinars and FAQs, at [www.isbe.net/ILePlan](http://www.isbe.net/ILePlan).
