APRIL 2023

English Learners/Bilingual Education

Announcements

NEW! Illinois Advisory Council on Bilingual Education

The Illinois State Board of Education is seeking applications for members in the Illinois Advisory Council on Bilingual Education (IACBE). If you are interested in applying for consideration to IACBE, please send a letter of interest with your curriculum vitae/resume to multilingual@isbe.net by **April 29**. For more information on the IACBE, [click here](#).

REMINDER! FY 2024 EL-Bilingual Service Plan

The Fiscal Year 2024 Consolidated District Plan (CDP) is now available in the electronic Grant Management System through the ISBE Web Application Security system. Please note that the Bilingual Service Plan (BSP) is now part of the CDP.

Any school district that has at least one English learner (EL) student must complete the BSP portion of the CDP. The number of EL students has been calculated and prepopulated in the CDP to guide districts to which section of the BSP they need to complete.

Although the FY 2024 BSP has been made available as part of the CDP, some districts have not submitted their FY 2023 BSP. Such districts will experience a delay in the approval of their FY 2024 CDP.

If you have any questions, please do not hesitate to reach out to your assigned consultant or multilingual@isbe.net.

REMINDER! FY 2023 Title III Language Instruction Educational Program

All Title III LIEP districts' carryover funds from FY 2022 are now loaded and available to districts with FY 2023 LIEP budgets.

- Districts with an approved FY 2023 Title III LIEP must submit a budget amendment to rebudget any carryover funds.

- Districts that do not have their budget approved can ask their assigned consultant to send their application back so they can add the carryover funds to their FY 2023 Title III LIEP budget.
- Districts whose budget was returned for correction must add the carryover funds to the budget before resubmitting it for further review.

The budget amendment deadline is **July 31**, but the funds can only be used retroactive to the day the amendment was received. Your ability to access the carryover funds will depend on how quickly your amendment is accepted. Please follow the [instructions](#) on how to create your amendment.

Please reach out to your district's assigned principal consultant if you have any questions.

The Use of 'Other' as a Language in SIS

Districts are reminded that they should not have any students with a language listed as "Other" in the Student Information System (SIS). Please review your SIS data to verify that no students have "Other" for a language other than English. Please refer to this list of [language codes](#) as you are entering data. If a student's language is not on this list, please contact multilingual@isbe.net and we will work with SIS to add that language.

Participants will examine the different types and uses of score reports. They will also make connections between the students' proficiency scores and WIDA Performance Definitions in determining instructional practices.

Enrollment is now open; go to the [ISBE Conference Signup System](#).

Screening and Testing

Districts Transitioning to the WIDA Screener for Kindergarten

The WIDA Screener for Kindergarten was activated on Aug. 3 for districts to begin the self-paced training and subsequent download of the screener.

The training and free download of the screening instrument are posted in the [WIDA Secure Portal](#). Preprinted copies of the new screener may then be purchased from the [WIDA Store](#) by district WIDA account coordinators or district test coordinators.

In addition to the training, a webinar that previews the WIDA Kindergarten Screener that is to be adopted is currently available on the [WIDA Secure Portal](#). Once in the portal, click “Professional Learning” and then “Webinars” in the title bar. Scroll to “Kindergarten ACCESS for ELLs for New Test Administrators.”

The WIDA Screener for Kindergarten assesses English levels of potential ELs entering kindergarten and the first semester of Grade 1. Students who score below a 5.0 on the oral (listening, speaking) composite for the first semester of kindergarten or 5.0 on the overall (all four domains) composite for the second semester of kindergarten or first semester of Grade 1 will be eligible for language support services.

Districts should be transitioning to the WIDA Screener for Kindergarten as we start the second half of the 2022-23 school year. **The WIDA MODEL will then be retired on June 30**, with the WIDA Screener for Kindergarten being the only prescribed kindergarten screener.

REMINDER! Alternate ACCESS Field Test

The Alternate ACCESS field test window was opened on Feb. 14 and will continue through **April 17**. This is to measure test items that will be included in the operational Alternate ACCESS the following year (2023-24). The reason for the field test is to prevent a longer single administration by breaking it into two tasks: the regular administration of the Alternate ACCESS (this window closed Feb. 28) and the field test (currently open). The population that the Alternate ACCESS is administered to is very small, so full participation is respectfully requested to provide the best results for the final products that will come out to benefit our most vulnerable dually identified learners. The products include:

- Two new separate test forms of the Alternate ACCESS
- The addition of an Alternate ACCESS for Kindergarten
- The addition of an Alternate Screener

More details regarding the Alternate ACCESS field test administration can be found on the [field test webpage](#).

Look for Candoo the field test dog on field test materials that should have arrived in your district if you have administered the Alternate ACCESS to your students during the regular assessment window mentioned above.

An Alternate ACCESS Field Test email will be sent March 10 to designated site contacts to share return material instructions. All field test emails will include an image of Candoo, our field test dog.

English Language Development Standards Framework (2020 Edition) Ready for Implementation

The 2020 edition of the English Language Development (ELD) Standards replaces the 2012 Amplified ELD Standards that was in rules. Implementation of the framework at the local level should begin this year. Kristopher Stewart from WIDA presented on the

standards and their application at the State Bilingual Directors Meeting. A PDF copy of the framework can be downloaded from the WIDA webpage in the [Resource Library](#). Additional professional development is available from WIDA through the WIDA Secure Portal and the [Multilingual District Resources webpage](#) under the “Professional Development” dropdown. The 2020 framework will be reflected in the ACCESS refresh in 2025-26.

Seal of Biliteracy

NEW! ASLPI Approved as a Standard Assessment

ISBE is working hard to streamline and improve our list of approved assessments for the Seal of Biliteracy. We are happy to announce that students earning the Seal in American Sign Language will **not** have to submit portfolio evidence; rather, they can take the American Sign Language Proficiency Interview (ASLPI) as a standardized assessment. A score of 3+ on the ASLPI means a student will have the equivalent of an Intermediate High for the Seal of Biliteracy. A score off 2+ on the ASLPI means a student will have the equivalent to an Intermediate Low for the Commendation toward Biliteracy.

Migrant Education Program

Migrant Children Services

Please help us to locate migrant children who may be eligible for services of the state Title I, Part C, Migrant Education Program. Migrant children have moved:

- from one district to another and one residence to another
- within the past three years
- due to economic necessity
- with a parent, spouse, or guardian who is a migrant agricultural worker or on their own as migrant agricultural workers

School districts can help ISBE and the Migrant Education Program to identify migrant children in Illinois by using the [MEP Referral System](#) or scanning the QR code below. Districts may refer families who are potentially eligible for the program. The program will arrange for a certified migrant child recruiter to interview the family to determine eligibility.

Migrant Student Records Exchange

The [Migrant Student Records Exchange Initiative](#) is a federal database, which was established under Title I, Part C of the Every Student Succeeds Act. The mission of Migrant Student Records Exchange (MSIX) is to ensure the appropriate enrollment, placement, and accrual of credits for children of migrant agricultural workers nationwide. MSIX allows states to share educational and health information of migrant children who travel from state to state and who, as a result, have student records in multiple states' information systems. It works in concert with the existing migrant student information systems that states use to manage their migrant data.

The ISBE Multilingual Department manages access to MSIX in Illinois. If your district enrolls children of migrant agricultural workers and you would like more information about MSIX, please contact us at migrant@isbe.net.

What are the requirements for approval?

- A minimum of 120 hours per student of instruction in language (and culture) is required for this approval.
- A completed SY 2022-23 application for [Ethnic School Foreign Language Program Approval](#).

A step-by-step presentation is available under the Resources blue bar on the World Languages page. This presentation is available in English, Bulgarian, Chinese, Greek, Hindi, Hungarian, Lithuanian, Polish, Russian, Telugu, and Ukrainian.

When is the application due?

Applications were due **Nov. 1, 2022**, and were to be submitted to Jay Reinoso at jreinoso@isbe.net. Please contact Mr. Reinoso if you wish to receive approval for the 2022-23 school year but missed the application deadline.

Please forward any questions regarding Ethnic Language Schools to Jay Reinoso at jreinoso@isbe.net. A list of approved schools for SY 2021-22 is available on the World Languages page under the Ethnic Language Schools blue bar. If you are aware of a school that is not on this list, please forward them this information. Thank you for your support of ethnic language schools and language acquisition.
