Migrant Education Program Application

The Migrant Education Program application for funding for the 2015-16 fall and regular school year will be available on the [Division of English Language Learning webpage](#) on May 8.

Funding is available under Title I, Part C of the reauthorized Elementary and Secondary Education Act for supplemental academic and support services for qualifying migrant children and youth. Applications must be submitted no later than July 1, 2015.

Children ages 0-21 who have not graduated from high school may be eligible for the program if they have moved within the past three years across state or school district lines with a parent or guardian or on their own to obtain temporary or seasonal work in agricultural production, fishing or food processing industries.

A certified recruiter must document that children qualify as migrant students. ISBE can assist districts with this process. For more information, contact Beth Robinson or Anna Szuber at 312-814-3850.
