

Rec'd 2/10/2017

Dear all,

Can you please provide me with a copy of the "detailed plan and implementation strategy to set stringent accountability standards for all elementary and secondary schools that include closing achievement gaps between disadvantaged students and other student groups, as well as a multifaceted intervention program for schools that do not meet these standards," identified in item 5 of Executive Order Number 1 (2002) that was submitted to the governor and general assembly. Thanks.
