

Rec'd 2/22/2017

Good afternoon,

My name is Emily Volker with Peru State College in Nebraska. Our Graduate Programs Office is seeking information on those teachers licensed in the state of Illinois.

We are specifically inquiring for an Excel list of teachers, school employed, school address, work email address, licensure type and the degree level the teacher has reached, (bachelor, master's degree, etc.).

If this is possible, please respond with results by March 8, 2017.

We appreciate your time on this report and are happy to answer any questions.
