

REQUEST FOR FOIA DOCUMENT

RE: [REDACTED]

As the mother of [REDACTED], under the FOIA act I am requesting school documents. This transcript is named Today's Meet. Today's Meet is the school social network provided for the students. I was told that everything on the sight was deleted. I need the printed transcripts for the entire chatrooms on that sight with all of the texts from all students dated back two months prior and up to December 10 2015, and including all of December 10 2015.

The name of the school is:
