Hi Megan,

Please consider this email as a formal FOIA request for the following three items:

1) *a digital file containing all the Report Card Data Collection Forms (ISBE 86-43) Summary (2015) for all schools across the state, along with the school performance on PARCC for 2015-2016.*

2) *a digital file containing school-level ACCESS data for all schools in Illinois, along with the following information for each district: ELL student %, student enrollment, District grade span (Elementary, High, Unit), % poverty, District contact information.*

3) *State test technical reports for each of the last 10 years (for math, reading and science), reporting the distribution of test scores for each grade level, including the mean, standard deviation, and frequency table for all the test scores.*

Please let me know if you have any questions.

Thank You -

*Mike Nicholson
Executive Director for Assessment and Data Analytics*
