Dear Ms. Griffin,

Under the Illinois Freedom of Information Act, 5 ILCS 140, I am requesting all documentation that waives any sections of Administrative Code 1, Title 23, Subtitle A: Education, CHAPTER I: State Board of Education, Subchapter a: Public School Recognition, with any supporting documents for School District 428 of the Illinois Department of Juvenile Justice. In addition, I am requesting documentation waiving any other codes/rules that apply to all other publicly funded Illinois schools. I am requesting the copies of all documentation provided to the Illinois State Board of Education by School District 428 of the Illinois Department of Juvenile Justice. I am requesting all applications for funding by School District 428 of the Illinois Department of Juvenile Justice, and documentation of all funding provided to School District 428 of the Illinois Department of Juvenile Justice.

I understand that the Act permits a public body to charge a reasonable copying fee not to exceed the actual cost of reproduction and not including the costs of any search or review of the records. I am willing to pay fees for this request up to a maximum of \$25.00. If you estimate that the fees will exceed this limit, please inform me first. However, the law allows you to impose a waiver or reduction of fees when information is sought in the public interest, as is the case for this request.

I look forward to hearing from you in writing within five working days, as required by the Act 5 ILCS 140(3). If access to the records I am requesting will take longer than five working days, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or this entire request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering and responding to this request.

Sincerely,
Amber Egan
