I'm requesting the September 30, 2016 enrollment data that districts are required to post to the isbe website in October. I cannot find this data on the isbe website. If it is posted please provide me the link, otherwise please provide the data now.

Specifically I'm looking for the enrollment data, in the detail as is required by isbe to be posted at isbe.net (district total, not the by school breakdown) for the each of the following school districts in Will County:

Lincoln-Way D210
Frankfort D157C
Summit Hill D161
Mokena D159
New Lenox D122
Manhattan D114

I would appreciate receiving the data in electronic form by email.

Thanks
Steven Wahlert
