Dear Sir/ Madam,

My name is Sandra Pires, I'm the Camões, Instituto da Cooperação e da Língua, lecturer at Georgetown University in Washington DC.

I was recruited by the Embassy of Portugal in the US to accomplish an ambitious project to gather all the information about the teaching of Portuguese in the US in the states under the jurisdiction of the Embassy of Portugal in the U.S., since Illinois is one of the states, that is why I'm contacting you.

I would like to know the names and contacts of the schools where the Portuguese language is taught in Illinois, and all the information you consider appropriate.

I thank you in advanced for your availability.

Best wishes,

Sandra Pires
