

Rec'd 1/9/2017

Hello,

I would like to request the following documentation under the Illinois Freedom of Information Act: a report issued around June 2016 to Waukegan School District 60 concerning complaints made by employees of district and the Aramark food service. I would request that the documents be provided via email to this address and that any fees be waived.

I can be reached at 312-818-9418 with any questions.

Thank you for your time,

Emily
