

Rec'd 4/28/2017

To whom it may concern:

I sent this FOIA request in December 2016 and never received a response. Is it possible to have the information requested:

An excel workbook containing a list of Illinois public high schools, with the number of graduates from each high school for each of the past 3 academic years: AY2014, AY2015, and AY2016. **Please include the RCDTS (district and school code), district name, and school name.**

If this information is posted publicly somewhere, I would appreciate it if you would direct me to that location.

Thank you.
