

Rec'd 4/28/2017

Dear Records Access Officer:

Under the Freedom of Information Act (5 U.S.C. Section 552), I am requesting the following documents:

_Records of all p-12 certified educators whose certification/license has been suspended or revoked since 2012, including the educators' name and district and related complaints, investigative materials, administrative hearing transcripts, hearing officer's reports, decisions and rap sheets.

_Copies of all submissions to the National Association of State Directors of Teacher Education and Certification regarding teacher and principal sanctions since 2012.

As a representative of the news media affiliated with The Associated Press, I am gathering information on educator discipline that is of ongoing interest to the public and request a waiver of all fees under 5 U.S.C. Section 552(a)(4)(A)(ii). The information I seek is in the public interest because it will contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.

Also, the information sought has informative value, or potential for contribution to public understanding.

I look forward to your response.

Thank you in advance,
