Hello,

On behalf of Forecast5 Analytics, and under the Freedom of Information Act, I would like to obtain ELL data for the 2015-16 school year. The data we wish to receive is based on our previous requests, providing the following information (but not limited to):

District Code/RCDT

District Name

Spanish

Non-Spanish

A file in Excel or CSV format would be greatly appreciated. If you have further definitions of ELL categories Spanish/Non-Spanish, please include the count and definition of the abbreviation.

Thank you for your help on this matter and if you have any questions, please do not hesitate to contact me.
