

Rec'd 6/1/2018

Dear FOIA officer,

This is a request for public records under the Illinois Freedom of Information Act. Please make available for my inspection by no later than June 8, 2018 copies of any and all audits, reports, studies, investigations and findings related to Prologue's Joshua Johnston Charter School from the time it opened until today.

To the extent the foregoing public records are maintained electronically, please provide machine-readable databases or PDFs, if feasible. If it is not feasible to furnish the public records in the proper, specified electronic format, then please contact me so we can discuss how you can furnish these documents.

If you feel any portion of this request is exempt from public scrutiny, please describe the precise nature of the portion being redacted, a written explanation of the specific statutory authority under which you are doing so, and provide that portion of the request not in dispute.

Should you have any questions, concerns or problems with this request, please contact me at the phone numbers or email provided below.

As this request is made in my capacity as a journalist, time is of the utmost concern.

Thank you for your prompt attention to this matter.

Sincerely,

Katie Drews
