Specifically, under FOIA, I am requesting access to:

- 1.) All scores for all of the grants submitted for the FY 19 Preschool for All, FY 19 Preschool for All Expansion and FY 19 Prevention Initiative Program Grant Applications filed by all entities.**
- 2.) A listing of all grant applicants that received priority points as listed in the RFSP.**
- 3.) Any and all calculations utilized to determine the funding level for FY 19 for the three grant programs identified above.**

I am making this request on behalf of the school districts in ROE 33 who have participated in the Early Childhood Block Grant Initiatives for the last several years.

The principle purpose of this request is to access and evaluate information concerning how the ROE 33 FY 19 Preschool for All, FY 19 Preschool for All Expansion and FY 19 Prevention Initiative grants were scored relative to all applications received for these three grants. The information sought will not be used for sale, resale, or solicitation or advertising for sales or services.

This request is not made for commercial or personal purposes.. I ask that you waive fees as the law allows. For any written correspondence, please send to:
