You have requested *the following*:

Request 1: Number of students served by Non Public schools – not just registered Non Public Schools, but all 1451, as indicated on the online directory.

Response 1: The information you seek is available at the following link:

<http://isbe.net/nonpublic/default.htm?col3=open#CollapsiblePanel3>.

Please note we do not have enrollment information for schools that are not registered with ISBE.

Request 2: Percentage of all schools using Title I funds.
