Dear Ms. Tritt:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Dec. 15, 2016.

You have requested *enrollment data and contact info for one-room school houses in the state.*

We do not collect data by teacher in the nonpublic enrollment report. We collect teacher information based on their Full Time Equivalent (FTE). Therefore, you could have a preschool with two part-time FTE teachers in two separate classrooms. Alternatively, you could have two full-time teachers (FTE=2.0) teaching in a single, large classroom. In order to narrow, please use attached spreadsheet (*17-170-tritt-doc.xls*); you can filter to only investigate those with 2.0 FTE and below. You will have to contact each school to verify their status as “one-room school houses”, as we do not collect that specific information.

If you have questions, please contact Megan Griffin at (217) 782-4648 or [mgriffin@isbe.net](mailto:mgriffin@isbe.net).

Sincerely,

Kimberly Stevens  
Deputy General Counsel- Program Support
