Dear Mr. Jankov:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Jan. 19, 2017.

You have requested all data relating to special education funding received by ISBE from the City of Chicago School District 299 that is used by ISBE for the purpose of producing the Special Education Expenditures & Receipts Reports for 2016, 2015, and 2014. The data should include the information used to calculate and produce the amounts recorded as "local receipts", "state receipts", "federal receipts" and "total expenditures" in the Special Education Expenditures & Receipts report. Any data used in their production and pulled from the School District Annual Financial Reports, or taken from other district data submitted to ISBE, should include specifications about which fields or categories in the originating document the data are taken from.

The attached documents (17-193-jankov-doc1.pdf through 17-193-jankov-doc3.pdf) have been provided in response to your request.

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.

Sincerely,

Colette McCarty
