Dear Mr. Baumgaertel:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Jan. 24, 2017.

You have requested a spreadsheet with all the district profiles/report cards in for 2016 in one list. I am looking for demographics, attendance, drop-out/graduation rates, free & reduced lunch, special education/needs, and disciplinary data. And data that may normally not be on the report cards, such as homelessness and foster care data on the student population

All Illinois Report Card data can be viewed and downloaded via the following link:
<https://www.isbe.net/Pages/Illinois-State-Report-Card-Data.aspx>.

Multiple other data reports are available at the following link: <https://www.isbe.net/Pages/Data-Analysis-Reports.aspx>. Additionally, ISBE's 2016 Annual Report may contain some useful data: <https://www.isbe.net/Pages/2016-Annual-Report.aspx>. The Annual Statistical Report submitted this year may be useful as well (<https://www.isbe.net/Documents/annual-stat-report-14-15.pdf>), along with the Special Education Annual Performance Report submitted last year (<https://www.isbe.net/Pages/Special-Education-Reports-and-Resources.aspx>).

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.
Sincerely,

Colette McCarty
Assistant General Counsel
