

KIDS Advisory Committee Subcommittee Listing

September 2022

Implementation Subcommittee

This subcommittee will review the topics of KIDS implementation and KIDS professional learning. Topics include data collection issues/questions, KIDStech, and logistical issues that are distinct from data/research.

Membership: Dr. Jie-Qi Chen, chair; Cassandra Davis, Kathy Fudge-White, Megan Hillegass, Tammy King, Bridget Lahart, Teresa Ramos, Diana Rauner, Bryan Stokes, Dr. Carolyn Theard-Griggs, Lindsey Watts

Data/Research Subcommittee

This subcommittee will review the content, design, and results of the KIDS survey.

Membership: Elliott Regenstein, chair; Jason Helfer, Ofelia Hincosa, Irlanda Jiminez, Jodi Scott, Robin Steans, Rebecca Vonderlack-Navarro

Special Topics Subcommittee – English Learners

(Subcommittee may pull in additional experts): For each fiscal year, this subcommittee will identify specific topics for short-term study related to the KIDS assessment (e.g., KIDS and English Learners, how kindergarten readiness is understood, Play-Based Learning). Topics are identified by the committee, as a whole. Some topics will require extended timeframes, some will be more short-term.

Membership: Rebecca Vonderlack-Navarro, chair; Ofelia Hincosa, Irlanda Jiminez, Tammy King, Jaleen Rodriguez
