The Illinois State Board of Education, Nutrition and Wellness Programs, invites Child and Adult Care Food Program (CACFP) institutions to join a webinar in celebration of National Nutrition Month ® in March. During the webinar ISBE will review child nutrition education tips and resources, and provide an overview of a new Team Nutrition Training Wellness Kit opportunity for independent centers participating in the CACFP.

After registering, you will receive a confirmation email containing information about joining the webinar.

CACFP Team Nutrition Training Wellness Kit Application

The CACFP Team Nutrition Training Wellness Kit Application for eligible Independent Centers participating in the CACFP is posted online under *What's New?* at <http://www.isbe.net/nutrition/>.

The Wellness Kit program is designed to enhance nutrition and physical activity education for children in fun and creative ways, and will include a variety of nutrition-related storybooks, activities, and educational curriculum that emphasize the importance of eating fruits, vegetables and whole grains.

Carefully review the application for all of the requirements. All independent centers in Illinois that participate in the CACFP and have 75% or more of their students eligible for free and reduced price meals are eligible to apply.

The deadline to apply is April 10, 2015.

This project is funded by FY13 Team Nutrition Training Federal funds from the U.S. Department of Agriculture (USDA).
