CACFP Center Administrative Overview Workshop

Have you registered for the CACFP Center summer *workshops*?

Administrative Overview Training

These **refresher** trainings will include the newly proposed CACFP Meal Patterns, updated information on enrollment and Household Eligibility Applications, effective July 1st, information on maintaining accurate monthly and annual recordkeeping, and information on general CACFP procurement requirements.

Attend one of the trainings to update your knowledge, and then return to your center staff to complete your required annual staff training.

Register now at www.isbe.net/nutrition. Look under *Workshops for CACFP Center Administrative Overview*.

Team Nutrition Training

A separate registration may be made for an afternoon **Team Nutrition Training** session at the May 5, Springfield; May 14, Alsip; and June 16, Marion trainings. This bonus session will review nutrition recommendations from the Dietary Guidelines for Americans, and how they relate to the proposed CACFP Meal Patterns. We will also share strategies to effectively use nutrition education and fun physical activity resources, and highlight what resources are available from the USDA and NFSMI. To register, please select the CACFP Team Nutrition Training date that you want to attend.

See you soon!
